— USATF Men's Championships —

INDIANAPOLIS, INDIANA, JUNE 22–25

(Junior Champs held in conjunction beginning on June 21)
Meet held at Mark Carroll Stadium on IUPUI's 8-lane (9 on the straightaway) Mondo Super X track; walks held at 06:30, multis began in morning; for rest of events a late-afternoon/early-evening meet.

Attendance: 6/22—6034; 6/23—9276; 6/24—7907; 6/25—6833 (total 30,050) (6/21 was 3900 for total-total of 33,950)

Weather:
6/22—temperature c74–80 (23–27C), humidity c80%; overcast; thunderstorm caused 90-minute delay early, then another forced premature shutdown of meet, moving last three rounds of wTJ, all of wJT, m100 heats and both 10K finals to next day.

6/23—temps c80–74 (27–23C), humidity c48–66%; mostly cloudy.

6/24—temps c83–81 (28–27C), humidity c44-62%; partly cloudy.

6/25—temp c70 (21C), humidity c85%, mostly cloudy; thunderstorm with heavy rain postponed everything but first flight of mJT by c4:00.

Key To USATF Results

First names are not repeated within the same event, but are repeated in a second event. Paragraph-breaks in the middle of a prelim indicate the division between qualifiers and non-qualifiers. Subsequent viewing of video might tweak some of the splits.

Affiliations are as officially entered in the meet, meaning that many who had collegiate affiliations at the NCAA are listed differently here, even though our year-end list will retain the scholastic connection. Collegians entered as "unattached" were given their collegiate affiliation.

A combination of numbers and letters in parentheses, such as (x, 5 W), (3, 7 A) or (9, x C) indicates the athlete's position on the all-time top 10 performer and performances listings.

In the (x, 5 W) example the athlete has a better PR, therefore there is an "x" in the first position. But it's still the No. 5 world performance ever. (W=World; A= American; C= Collegiate; J=Junior; NCAA=NCAA Championships).

The (3, 7 A) example means that the person moves to No. 3 on the all-time U.S. performers list, with the No. 7 performance. And (9, x C) means the athlete becomes the No. 9 collegian ever, but the performance is outside the top 10. Marks making top 10s are bold-faced. Any records are both bold-faced and printed in red.

We also note yearly leaders for the world (WL) & U.S. (AL).

All wind readings are in meters per second, and any positive reading over 2.0 (4.47mph) is illegal ("w").
