e-TN Now Goes Weekly!

As one of the world's elite track fiends, you can now count on your computer to bring you the best in track news every Wednesday through the end of the season.

And "end of the season" means more than it did last week! You signed up being told there would be 40 e-editions. In reality there will now be (at least) 41 of them. Instead of just 3 issues in September there will now be 4. If there's a need to add more in the last three months of the year, we'll do it, no extra charge.
