The Year's Last TN

This mailing marks the end of publication of the '03 edition of *eTrack Newsletter*, also known as *eTrack*. We hope you have enjoyed it, and found it a nice adjunct to the magazine coverage. You can't beat the price!

For those who may have noticed that at year's beginning we promised 42 issues and that this one is numbered 41? Note that the 9 issues we sent out on a daily basis from the World Championships did not have a number, but you did get mailings in 42 different weeks. As you shall in 2004—see you then!

Until then, our best for great holidays.
