The next newsletter will be a
special sequence of daily
newsletters direct from the World
Championships in Helsinki.
The first will be mailed on Sunday,
August 7, and there will be
subsequent daily mailings for each
of the 9 days of the meet. Each
will contain the complete results
of each event as it is completed.
After the meet is finished, there
will be a composite TN with all the
results, updated and including
more split material and details
than was present in the dailies.**

**Before we start the dailies, eTN
subscribers will also get a special
mailing with the latest formchart
and updated injury information.**
