

### — 2008 Collegiate Conferences: Men —

THIS SPECIAL EDITION OF eTN brings together in one spot (in alphabetical order) all the major women's outdoor conference activity of the '08 season, both new meets from the Super Conference Weekend and meets previously printed in various newsletters in April and May (noted by \*).

While 99% of the material remains the same, this version does include updated splits, dating and series, and corrects some typos that crept through. If you find a discrepancy between this report and the original, this one takes precedence.
