

### — A Breakthrough Mile By Fernandez —

by Roy Conrad

Fayetteville, Arkansas—Rumors of German Fernandez's demise were, as Mark Twain might say, "greatly exaggerated."

When last seen racing, Oklahoma State's prize frosh tumbled to the ground in obvious pain near the end of the NCAA Cross

indoor race a memorable one, establishing an unofficial World Junior Record in winning the mile at 3:56.60.

Fernandez and Hog transfer Dorian Ulrey made the most of the swift Arkansas oval. Ulrey, last year's outdoor 1500 runner-up, forged the pace for most of the race as they cranked out laps consistently in the 30-second range.

Ulrey covered the first three quarters in 58.7, 1:59.6 & 2:59.7, with his younger pursuer at 59.6, 2:00.3, 3:00.0).

Then, with two to go, let's let Cowboy coach Dave Smith pick up the narrative:

"[Fernandez] looked like a million bucks—looked smooth as ever. He ran a really smart, intelligent race.

"He sat back and just waited until about 400 to go and put a move on the guy who was leading. He just blew by him and looked like a million bucks. It was unbelievable."

Fernandez crossed the line with his first sub-4:00 ever, his 3:56.60 to supplant Kenyan Boaz Lalang as the fastest Junior ever, and—finally—remove Jim Ryun as the top American.

He and Ulrey (3:57.60) became the Nos. 313 & 314 U.S. members of the sub-4:00 club.

Said Fernandez, "We just went out there to have fun. That was my first indoor meet ever, so I really didn't

know what to expect.

"I feel pretty good. I just wanted to go out and run a good time and run conservatively and run smart and it went my way. I didn't expect to break the record at all. That's the best time I've run in my life. I couldn't believe it at first."

Fernandez's previous best was 4:01.69 (a

conversion from 4:00.29 from the bastard 1600) to win the Cal State title last year. He was almost exactly at 3:00.0 with a lap to go in that race too, meaning that all the difference between then and now came in his most impressive last quarter.

Said Ulrey, "I was hoping for a faster time but it's still January so I'm pretty happy. I'm always shooting for a victory so I was a little disappointed with 2<sup>nd</sup> place. It's a PR and an auto mark so I can't be too hard on myself."

Fernandez has bounced back remarkably from what looked like a serious injury problem at the XC nationals

Country Championships in late November, apparently the victim of a serious injury.

But what had at first been feared to be an Achilles tear turned out to be lesser problem in a calf muscle.

At the Razorback Invitational, the young Californian showed just how good his recuperative powers are as he made his first-ever
