

### — 51<sup>st</sup> Mt. SAC Relays —

by Jon Hendershott

Walnut, California, April 16–18—Their races were at completely different distances, but sprinter Carmelita Jeter and steepler Lindsey Anderson employed the same tactic in producing world-leading efforts at the 51<sup>st</sup> Mt. SAC Relays.

The '07 World Champs teammates simply ran away from their pursuers, Jeter to speed a PR 10.96 in the century and Anderson to record 9:46.56 in the chase.

Jeter, the Osaka bronze medalist, surged before the halfway point and powered away to an easy win from Arizona State's Charonda Williams (11.29).

"I felt really good," confirmed the 29-year-old Californian. "This was my first 100 of the year. [Coach] John Smith and I wanted to work on a couple of things today. Some things I executed right and some I still have to work on."

"But John told me I would run a 10 today and I did. So I can't complain."

Jeter has been working since last November with the noted HSI mentor. She said, "A time like this at this point in the season tells me I'm on the right track. I'm really strong. But I'm not going to get too excited, because it *is* going to be a long year. But I'm definitely pleased about where my training is going."

In Thursday evening's distance carnival, Anderson let former AR holder Lisa Galaviz, Kara June and Mardrea Hyman lead for about four laps before she forged to the front and just ran away from everyone.

With some three laps left, the BYU alum led by some 50

meters. With a lap and a half to go, her lead was more than 60 from Irene Kimaiyo, Lennie Waite and Galaviz. June and Hyman were well back in the pack.

With three-quarters of a lap remaining, Anderson enjoyed the cushion of a full straightaway. She won by more than 13 seconds.

"Actually, I hoped to run a little faster," said the 23-year-old Anderson. "But I really didn't have any competition, so that made it a little harder. So I'm okay with the time."

Two other distance races produced leading efforts by the men. First, NCAA Indoor mile champion Lee Emanuel of New Mexico used a 55.8 last lap to close a PR/meet record 3:37.99 victory. The Briton cut his old best from last year's 3:40.77 in winning by better than 3.0.

Shortly after in the 5000, Olympic steepler Anthony Famiglietti took over after 1K and led Mexico's Juan Barrios and American Chris Solinsky until two laps were left when Solinsky moved to 2<sup>nd</sup>.

Down the final backstretch and around the last turn, Fam still led Solinsky and Barrios. But into the finishing straight, Barrios swung wide and sprinted ahead, his 59.2 capping a 13:16.65 victory from Famiglietti (13:17.98) and Solinsky (13:18.41).

In a pair of notable sprint results, 400 specialist Lionel Larry showed late-race strength in muscling to a PR 20.37 half-lap win ahead of Brit Dwain Chambers (20.51).

Shortly before, Ireland's two-time European Indoor 400 champ David Gillick clocked 45.80 for the win ahead of prep long hurdles star Reggie Wyatt, whose

46.38 lowered his career-best by 0.25 from last year's 46.63.

Despite a raft of world- and national-class athletes competing, however, the meet's presentation was basically unacceptable. The final-day schedule of combining the elite level and high school sections took away from each other and lessened the impact of both.

And computer problems seriously affected communication between the clerks, officials, timers, announcers and media areas. Many events went off without introductions or race calls and relay of results was spotty at best. Officials and announcers did yeoman work considering the conditions—but the paying fan, and the sport, deserve far better meet organization.
