FILLING THE FIELDS FOR NATIONALS

The top 5 individuals (and top 3 relays) in each of the four Regionals automatically qualified for the Nationals. For various reasons—running in another event, injury, etc.—not all will accept the entry. The 10,000s and multis fields will be based solely on the yearly list.

The Nationals fields will be filled by combining Regionals results with the yearly list. After the 5 (and 3) are determined, including scratches, the next 7 placers from each Region go into a pool, and are then selected based on the yearly list order as each event reached its quota.

The declared-athlete lists are available here: <http://web1.ncaa.org/track/eventFiles/d1moutF.txt> with the meet's start lists available on June 9.
