by Jon Hendershott

Eugene, Oregon, June 25–28—A sterling pair of wind-boosted sprints bookended the USATF Championships as breezes whistled over Hayward Field all four days of the national title meet/World Champs Trials.

On Thursday, reigning world 100/200 ti-

list Tyson Gay showed superb mid-race form in his century heat as he powered through the line in 9.75, aided by a 3.4mps zephyr.

It was Gay's token appearance in the meet to fulfill USATF's requirement that current Worlds champs, who get an automatic entry into the global meet, compete in at least one

round of the nationals.

But Gay would have liked to run more since he called his race horrible. "Technically, it was horrible," he said.

Gay cited a false start having disturbed his concentration: "I had to sit a little bit [on the next start]. I thought, 'If I false start, I'm running the 200.' Instead of worrying about execution, I had too much in my mind."

But on the positive side, for his first 100 of the season, Gay assessed, "There's a lot more in the tank."

The other sprint bookend came from '04 Olympic half-lap champion Shawn Crawford, now 31. He steamrolled the 200 field with a powerful turn that carried him to a 19.73 victory, his fastest ever even if blown along by a 3.3mps wind.

"Before this race, I thought I might be done," Crawford said. "But after this, maybe I've got a little bit more in me than I thought. That's the fastest my body has ever moved in its lifetime. So I'm happy with that."

In between the blazing dashes by Gay and Crawford, the nationals that chose members for August's World Champs in Berlin produced plenty of fireworks.

Even minus Gay, the 100 saw up-and-coming Mike Rodgers emerge all the way to a 9.91w victory (wind +3.3mps) to hold off the closing rush of veteran Doc Patton(9.92w) with unlooked-for Rae Edwards (10.00w) 3<sup>rd</sup>.

Dwight Phillips boomed a 27-10¼w (8.49) on his first long jump and followed with 28-1½w (8.57) on his second for the win.

Spectacular in 5<sup>th</sup>, Texas prep Marquis Goodwin extended the High School Record to 26-10 (8.18). Bran-

don Roulhac scored his first national TJ title at 57-2<sup>3</sup>/<sub>4</sub>w (17.44) to win by nearly 2 feet.

One-lap hurdler Bershawn Jackson managed the backstretch wind well enough to score a world-leading 48.03 victory ahead of the college-pacing PR 48.18 by South Carolina soph Johnny Dutch.

Over the highs, David Payne just edged out Terrence Trammell by all of 0.003 as both were given 13.12s in a wind-legal race.

Galen Rupp scored his first U.S. 10,000 title in his FINAL race in an Oregon jersey with a 27:52.53 ahead of comebacking Dathan Ritzenhein (27:58.59, barely two months after his 2:10:00 PR in the London Marathon).

Olympic decathlon champ Bryan Clay was sidelined two days before the meet by a left hamstring strain, so Trey Hardee corralled his first national win at 8261.

Javelinist Chris Hill PRed at 275-2 (83.87) to claim his initial U.S. victory. And Olympic medalist Christian Cantwell connected for a 71-7<sup>1</sup>/<sub>4</sub> (21.82) best to win his first shot title since '05 by more than 2 feet.
