# — Bolt Unanimous Men's AOY Choice —

Usain Bolt continues to be a force of nature, rewriting the sprint record-books. He's also breaking new ground in the AOY department.

Before Bolt came along, only Henry Rono ('78) and Michael Johnson ('96) had ever been accorded perfect scores on the men's side. Bolt has now done it twice in a row.

# — Richards Back As Women's AOY —

2009 marked the fourth year in the last five that Sanya Richards has appeared in the Top 10 of AOY voting. No. 9 in her debut in '05, she then won in '06 before slipping to No. 8 in '07 before falling off the charts completely in the Olympic year.

But she came back with a vengeance in '09, moving all the way to the top in an interesting campaign which saw no fewer than five women earn No. 1 votes.
