

— 2010 Collegiate Conferences: Women —

THIS SPECIAL EDITION OF eTN brings together in one spot (in alphabetical order) all the major Div. I women's outdoor conference activity of the '10 season, both new meets from the Super Conference Weekend and meets previously printed in various newsletters in April and May (noted by *).

While 99% of the material remains the same, this version does include updated splits, dating and series, and corrects some typos that crept through. If you find a discrepancy between this report and the original, this one takes precedence.
