

### — American Record 2M For Lagat —

NEW YORK CITY, February 12—Bernard Lagat now owns every American Indoor Record from 1500 through 5000 meters. The 36-year-old Washington State alum completed his dance card with a successful 16-lap run

Lagat had lowered the comparable 3000 AR to 7:32.43 in '07. That equates to an 8:08.63 for 2M. T&FN correspondents Dave Johnson split the race—which also featured a concurrent attack on the prep 2M standard by

season—leading the way. With Bob Andrews—Robby's father—calling 220y splits, Lagat went through the opener in 31.2 and followed that with a 31.5, coming through the first quarter in 62.7.

Picking up the pace with a comfortable second quarter of 61.3, Lagat reached the half in 2:04.0, slightly off record pace. Then the rabbits hit their stride, leading him through three straight 31-flats and a 31.1.

The three-quarter split was 3:06.0, and the half-way point ticked off at 4:08.1, a bit behind the desired 4:06–4:07. Andrews had stepped off the track as the group approached the kilo point, with Brown taking over.

Two more laps with Brown in the lead through 2000m got Lagat through another 31.2, and as Brown picked up the pace on his last lap, Lagat started to unleash his remaining strength, running the next 220 in 30.5 as Brown stepped off the track. Lagat's fifth quarter had passed in 61.6, and now he was running alone.

The next three 220s each went by in 30.4, giving the American multi-distance record holder a solid shot at Padilla's long-standing mark.

Lagat passed 1.5 miles in 6:10.5, then gathered himself for the final quarter with a 30.7. With one quarter to go he was at 7:11.6, and later said he knew he had the record in his grasp.

With the crowd of about 1000 urging him on, Lagat laid down another 30.4 on his penultimate lap, then ripped through the last

Lagat lapped Verzbicas just before finishing his record run

in the fabled Armory (see p. 34 for complete splits).

The occasion was a specially set up New York Road Runners "Deuce Record Challenge," with Lagat chasing Doug Padilla's 8:15.02 mark, set back in '90. In the interim,

Lukas Verzbicas:

Lagat followed double rabbits Robby Andrews and Russell Brown from the outset, the trio running single file. Starting cautiously, Lagat ran a stride behind Brown, with Andrews—redshirting at Virginia this indoor

lap in 28.1. His last quarter of 58.5 was more than sufficient as he broke Padilla's record by nearly 5 seconds.

His 8:10.07 moved him to No. 7 on the all-time world list (see box).

"Russell Brown did a fantastic job," Lagat told T&FN's Sieg Lindstrom after the race. "The guys did not go crazy for the first part and that is always a danger when people start to go crazy at the beginning.

"But this time around Robby Andrews went great in the beginning and then Russell Brown just followed up nicely. So even when I took off at 6 to go I was able to do that because Russell Brown didn't go crazy.

"I conserved a lot of energy and I was able to produce the kick that I normally have. So it enabled me today to run 4:02 for the last mile."

As for prep star Verzbicas (Sandburg, Orland Park, Illinois), he had his own rabbits as he attempted to take down Gerry Lindgren's venerable 8:40.0 from way back in '64.

Following the lead of Columbia alum Liam Boylan-Pett, Verzbicas stepped the first quarter in 63.4 having already been gapped by Lagat and his pacers.

Picking up the pace slightly, Verzbicas passed the half in 2:06.6, but then began to slow as a 64.5 third quarter brought him through in 3:11.1.

Trying to pick up the pace, he ran his next 220 in 31.4, but couldn't hold it as he drifted to 32.6 for the next lap, his fourth quarter totalling 64.0.

Verzbicas hit his desired pace on the button with his 4:15.1, but the pace was starting to get to him. The next quarter passed in 65.9, followed by a sixth quarter in 67.6 for a 6:28.6.

The seventh quarter remained at the same pace as he ran 67.7, leaving him one quarter to go with 7:36.3 gone. Needing a 63.6 to break the record, he couldn't pull it out, his final 440 of 66.9 leaving him at 8:43.24.

"Next time, I am going to try and go out a little slower," said Verzbicas, who moved to No. 3 on the all-time high school list.

"I was going after the record, but going out that fast does not work for me. I will try and go conservatively next time."
