

### — 400 Stars Open Their Seasons —

by Jim Dunaway

Waco, Texas, April 23—Jeremy Wariner and Sanya Richards-Ross opened their '11 one-lap campaigns by winning their races, but thanks to a combination of strong winds and world-class opposition it wasn't a walk in the park for either one.

Wariner, in fact, had to dodge two bullets at the Michael Johnson/Dr. Pepper Classic.

In the second section of a three-section 400, TCU's Mychal Dungey outleaned Baylor's Marcus Boyd, 45.64–45.65 in a thrilling homestretch duel.

Then Wariner found himself in a similar situation with Berlin bronze medalist Renny Quow, and it wasn't until the final 20 meters that Wariner achieved enough separation to win, 45.61–45.69, thus win-

ning the event by 0.03.

"It wasn't what I wanted, but I'll take it," said the 27-year-old Baylor alum. "I was hoping to go 44, but the wind was tough, especially in the homestretch." On the other hand, he noted, "It was my first quarter, and I was strong in the straight, so I'm satisfied."

Wariner plans to run three more 400s in fairly rapid succession: Drake April 30, Guadeloupe May 7 and Puerto Rico May 14, then take a hard-training break until the June Diamond League meets, Prefontaine June 4 and adidas New York June 11 leading up to the Nationals in Eugene.

Richards-Ross had her hands full with Jessica Beard, who had run 50.79 winning the NCAA Indoor, and had a pair of sub-50 relay carries at the Texas Relays.

The Texas A&M senior whooshed down the backstretch, but Richards-Ross ran the curve hard and was within striking distance as they turned for home. It wasn't until the final 50 meters that R-R pulled away to win, 52.00–52.37.

Richard-Ross, who missed almost all of last year with injuries, was happy to blow off some rust. "I feel the first race is the hardest one," she said. "And this felt like my first 400 in two years.

"I thought I ran really well," she added. "The best was my strength in the finishing straight. If there was no wind I think this would have been 50 point."

Coning up, she will run a 4x4 leg at Penn, a 400 on May 7 in Jamaica, and then tackle a 200/400 double at Rome's Golden Gala Diamond League May 26.

The evening's best perfor-

mance on the track was by 20-year-old Jamaican Nagoya Goule, a frosh at South Plains JC, who won the women's 800 in stunning fashion. She led from the start and pressed the pace all the way, going through in 28/58 before winning by 30 meters in 2:02.11, nearly 1½ seconds faster than her previous best.

Explaining her go-from-the-gun strategy, she said, "If you don't get out, you're not going to do a great job. So I try to get out."

## What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate ("agate" is journalese for small-type results), so let's see if we can't clarify it a bit for you.

A combination of numbers and letters in parentheses, such as "9, x W" would mean the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like "x, 6A". The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL) and High School (HS).

5-6 (1.68).
