

### — The 102nd Drake Relays —

by Don Kopriva

Des Moines, Iowa, April 27–30—Mother Nature for once was at least polite, if not downright friendly, making for solid performances and a number of season-leading performances at the 102nd Drake Relays.

Temperatures in the mid-60s and sometimes gusty winds to 25mph helped stave off any really spectacular efforts, but the usual Saturday sellout (14,504) got its buck's worth and then some from a number of familiar faces as well as some new ones.

For instance, there was Jeremy Wariner's 400 win in 45.19, the top U.S. time in the still-young outdoor season. And Jenny Barringer Simpson dropped down from the steeple to the 1500 to claim that win in 4:09.56, good for No. 5 on the outdoor world list thus far.

Crowd favorite Lolo Jones can't lose at Drake, even when she does get beat, as she did in the invitational high hurdles by Tiffany Ofili, who took the measure of the admittedly "not race-savvy or sharp" Des Moines native, 12.66–12.80.

Race-sharp was Cincinnati's Terence Somerville, who cracked a 24-year-old

men's mark in the high sticks with a 13.48 after favorite Andrew Riley of Illinois had fallen by the wayside in the prelims. Also looking good was Ohio State's Letecia Wright with her second 100 hurdles win, this time in a record 12.87.

Fans still love the mile and still re-

gard sub-4:00 as something special. They got their wish, but with Alan Webb 4<sup>th</sup> in 3:58.77, trailing Boaz Lalang, who won in 3:58.26 over Peter van der Weshuizen (3:58.33).

Field generally trumped track, at least individually, with Adam Nelson putting the shot 70-2¼; Jeremy Scott and Mark Hollis vaulting 18-5¼; Dusty Jonas tying Drake Relays director Brian Brown's 14-year-old high jump mark with a 7-7 jump matched by Erik Kynard; Kylie Hutson jumping 14-10¼ for the women's vault win; and Sheree Francis taking the women's high jump at 6-2¼.

Relay-wise, it was really *relay good*, with some old, some new, running well and doing good.

Take Baylor, again, for the 19th time in 23 Relays, in the men's 4x4 in 3:05.01 with Marcus Boyd anchoring in 45.4.

Then there was Illinois, which has won more Drake titles than any other school, but claimed its first men's 4x1 win since '53 in 39.17.

And Iowa's men and women claimed the sprint medley titles with Eric Sowinski anchoring the men in 1:47.0.

Teammate Jeff

Stanley Azie anchored the Illini to their first 4x1 crown in 58 years

DAVID PETERSON

Thode almost brought the Hawks back from the dead in the DMR with a 3:59.8 carry (fastest of the weekend) against Big Ten rivals Wisconsin and Minnesota, whose Hassan Mead outkicked the Badgers' Rob Finnerty for the win.

## What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate ("agate" is journalese for small-type results), so let's see if we can't clarify it a bit for you.

A combination of numbers and letters in parentheses, such as "9, x W" would mean the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like "x, 6A". The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL) and High School (HS).
