

— NCAA Women's East Regional —

— The Regionals Setup —

Under the NCAA qualifying scheme which came into play in 2010, the 4 Regionals were combined into just 2 meets, and renamed as the "preliminary rounds" of the National Championships.

There were 48 contestants in each individual event (24 relay teams), with the top 12 advancing to the nationals in Des Moines on June 8–11. There will be a few people from deeper places who qualify as potential doublers scratch. (The decathlon & heptathlon qualify directly to the Nationals from the yearly lists.)

For ease of nomenclature, we'll continue to call the meets Regionals, but the rounds will be named as part of the overall Nationals.

In 4-round events like the 100, for example, the Regionals staged the heats and quarterfinals; Drake will host the semifinals and finals.

In the horizontal jumps and throws each contestant received 3 tries; the top 16 then received another 3 attempts, with the first 3 carrying over.

Tabbed breaks in races indicate the dividing line between qualifiers and non-qualifiers.
