

### — Olympic Season Heats Up At Mt. SAC —

by **Brian Russell**

Walnut, California; April 18–21—Year in and year out, athletes flock to the Mt. SAC Relays, using the meet as a barometer to gauge whether their training is on-target or off-target and, hopefully, ahead of schedule.

At this year's edition, many walked away satisfied, but a lucky few left Hilmer Lodge Stadium pleasantly surprised with their efforts on the track and in the field.

The first surprise occurred Friday night, when the entrants in the men's Puma Mile toed the line. The pack of 14 started briskly, with Canadian pacesetter Geoff Harris taking the field though the 800 in a solid 1:55.2,

leaving France's Jamale Aarrass in the lead, followed by Stanford alum Garrett Heath and Canadian Olympian Nate Brannen. With 600 to go Aarrass led by 5 meters over Brannen as Heath fell back.

At the bell, it was Aarrass leading the way, followed by Brannen and Aussie Craig Miller. Brannen made a charge down the backstretch, but the 30-year-old Frenchman didn't wilt. He extended his lead as he entered the homestretch, passing 1500 in 3:35.70 and finishing in a world-leading 3:52.21 for a meet record.

Brannen was run down in the final meters by hard-charging countryman Taylor Milne

Utah's Cam Levins outsprinted their peers.

Huddle used a steady diet of 75-second laps to set up an impressive 63.9 final circuit and finish in a outdoor world-leading 15:15.91, 4.76 ahead of Aussie Eloise Wellings.

Levins used every bit of speed he possessed to outsprint Arizona's Lawi Lalang after the two entered the homestretch even. Levins' 53.7 final lap not only got him the victory, but his time of 13:18.47 bettered the Olympic A-standard. Lalang finished in an outdoor PR 13:18.88, with Australian David McNeill getting his A a step behind in 3<sup>rd</sup> (13:19.31).

Saturday's meet saw the reemergence of

a pair of hurdle stars as former world champ Michelle Perry and former Olympic champion Joanna Hayes battled over the 100-meter sticks. Perry edged Hayes 12.70w–12.72w, as the ex-Bruins came off the final hurdle together.

Brittney Reese increased her outdoor world lead in the long jump as she jumped 23-4½ (7.12) into a minor wind. The world champ was pleased with her sequence, as she only had two fouls, something she has been trying to cut down on.

Walter Dix looked impressive in his windy 9.85 (+2.4, making it worth 9.96) victory over Mike Rodgers. He has been working on his start with HSI coach John Smith the past few months and the work has paid off.

Said the Florida State alum, "I wanted to get out of the blocks and finish strong. I got to the 60 and I was right where I needed to be. I wanted to run under 10 today and I got that."

**Dix burst from the middle of the pack to score an 0.12 win over Rodgers (headband)**

(3:54.29) and finished 3<sup>rd</sup> (3:54.81) as 8 broke 4:00.

Friday night's men's and women's 5000 provided fireworks as well, as American record holder Molly Huddle and Southern

### What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate ("agate" is jounalese for small-type results), so let's see if we can't clarify it a bit for you.

A combination of numbers and letters in parentheses, such as "9, x W" would mean tha the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like "x, 6 A". The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL) and High School (HS).

SP: 1. Vaughan (Legacy, Mansfield) 49-0 PR.  
DT: 1. Vaughan 183-3.
