#### KEY TO LISTS

These lists give the top 40 U.S. performers (and top 10 performances, denoted by a — —) of the 2012 season, with an appending of those foreign collegians whose marks fall into that range. In the wind-aided category, the domestics and foreign collegians are commingled (' after name = foreigner on windy list). Relay teams may contain non-U.S. nationals.

Open athletes and high schoolers have no notation before their name. Collegians are noted by class: - = senior; \* = junior; \*\*=soph; \*\*\* = frosh.

(A) = altitude over 1000m (in affected events only). Wind-aided marks are those of greater than 2.0mps. Windy marks are listed only if superior to the best legal mark (windy performances listed to level of legal performances).

! = secondary mark in a field-event series; ¶ = field-event mark for which complete series is unknown.

In the marathon and half-marathon lists, # = aided course. Since so many road runners are unaffiliated, a state affiliation represents their home, not a school. **Corrections welcome!**
