KEY TO LISTS

These lists give up to the top 40 U.S. performers (and top 5 performances, denoted by a --) of the 2012-13 indoor season in standard events, with an appending of those foreign collegians whose marks fall into that range.

In the oversized-track category (those larger than 200m), the domestics and foreign collegians are commingled. Relay teams may contain non-U.S. nationals.

Oversized-track marks are listed only if superior to the athlete's best legal mark (OT performances listed to level of legal performances).

Open athletes and high schoolers have no notation before their name. Collegians are noted by class: - = senior; * = junior; **=soph; *** = frosh.

Symbols: (A) = altitude over 1000m (in affected events only).

Note that the indoor season continues marks from December of the preceding year. These marks will not be included on the '13 composite lists.
