

### — Superb HJ Dual At Mt. SAC Relays —

by Jon Hendershott

Walnut, California, April 18–20—In just the second outdoor meet of the year for each, Olympic teammates Erik Kynard and Jesse Williams, waged a stellar duel on the wide high jump apron at the 55<sup>th</sup> Mt. SAC Relays.

Canadian Mike Mason and indoor national champion Dusty Jonas completed a highest-flying quartet, but it was Kansas Stater Kynard who prevailed thanks to a third-try make at a PR-equaling 7-8 (2.34).

The London silver winner had a clean card through 7-7 (2.31) while both Williams and Mason logged two misses before making their bests of 7-7 (2.31).

They tied for 2<sup>nd</sup>, while Jonas took 4<sup>th</sup> at 7-5¾ (2.28). Kynard's clearance matched took the yearly world outdoor lead.

The Wildcat senior then had the bar raised to 7-9¼ (2.37), equal to the overall world topper set indoors by Qatar's Mutaz Essa Barshim. He hit the bar with his shoulder blades on the way up on his first and third tries after running through his second.

"This is only my second meet outdoors so far," he said, "but it felt OK. I felt good coming into the meet because I made 2.32 [7-7¼] in practice. I have had to do all my training jumps indoors because of the terrible weather we have had in Kansas this spring."

The 22-year-old Ohio native said he wasn't surprised by his high leap. "I had some good attempts at 2.36 [7-8¾] in practice. Cliff [KSU coach Rovelto] said I should try 36 after I made 2.34, but I said, 'Nah, put it up to 2.37.' I didn't get it, but I

still felt like the attempts were good."

Reigning world champ Williams said, "It's so early in what will be a long year. But I

and made me win Worlds."

Sunny, warm weather graced this year's meet, with occasional aiding winds but both invitational 100s produced quick winning clockings. Before Mike Rodgers turned back Ryan Bailey's late-race surge, 10.04–10.18 (into an 0.4 wind), they handled legs 2 and 4 on an HSI squad that clocked 38.93 to easily take the elite 4x1. Hurdler Jason Richardson led off and Ahmad Rashad handled leg 3.

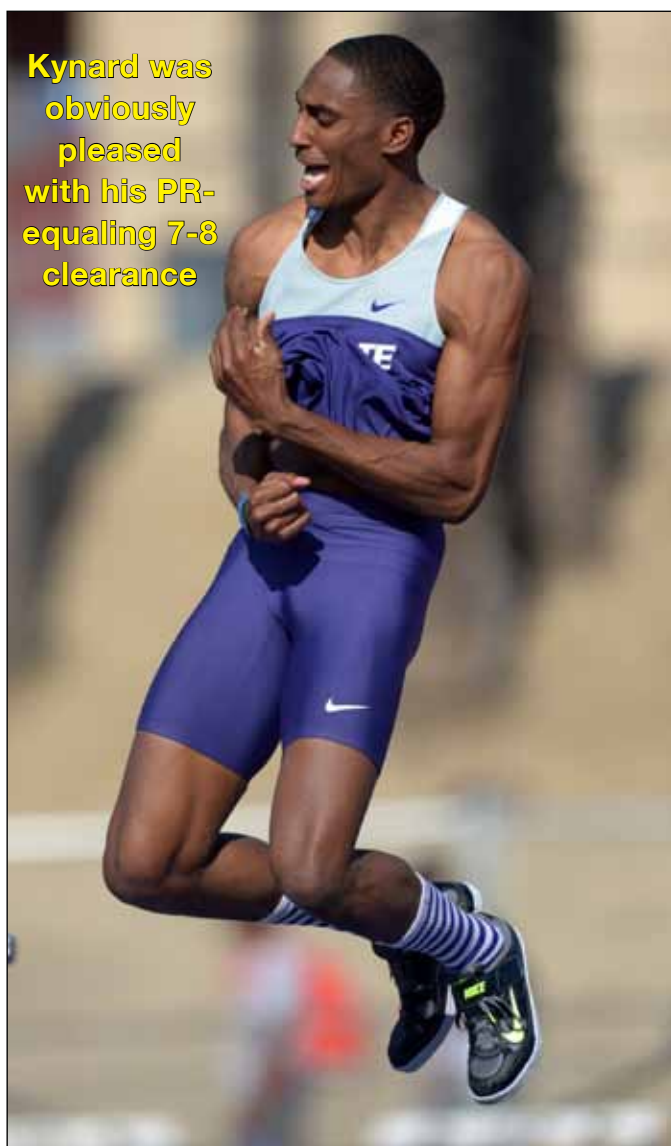

Women's winner English Gardner parlayed a fast start to a world-leading 11.00 PR victory (wind 1.8), but world champ Carmelita Jeter succumbed to a hamstring cramp around 80 meters as she began a lift to challenge Gardner.

She hobbled across the line to finish in 11.68 and coach John Smith said he expects her to be out for two weeks recovering.

Earlier, Jeter churned the backstretch as her Team Jet foursome blitzed to a year-pacing 41.79—Mandy White leading off, with Lauryn Williams and Blessing Okagbare following Jeter—to turn back the 42.96 for a Kersee All-Star squad of Dawn Harper, Allyson Felix, Jeneba Tarmoh and Ginnie Crawford.

Highlighting Friday night's distance races, Brenda Martinez front-ran her way to a PR 4:04.86 to cut her own U.S. leader by nearly 4 seconds. She turned back 5000 Olympian Kim Conley (4:10.02), who PRed by 2.10,

and Lea Wallace who missed her best by just 0.02 at 4:10.79.

Kynard was obviously pleased with his PR-equaling 7-8 clearance

KIRBY LEEMADE OF SPORT

always want to compete well and jump high. I definitely will jump at USATF. Winning nationals in '11 gave me all the confidence

### What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate ("agate" is journalese for small-type results), so let's see if we can't clarify it a bit for you.

A combination of numbers and letters in parentheses, such as "9, x W" would mean the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like "x, 6 A". The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL; Division I only) and High School (HS).
