**Note that this issue corrects  
the pagination error of the  
previous edition, and the  
numbers are back where  
they should be. Our apolo-  
gies for confusing anybody**

## What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate (“agate” is journalese for small-type results), so let’s see if we can’t clarify it a bit for you.

A combination of numbers and letters in parentheses, such as “9, x W” would mean tha the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like “x, 6 A”. The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL; Division I only) and High School (HS).

**no eTN next week, followed  
by 2 full-WC-details ones**

## 2013 World Men's Leaders

marks in red are those reported since last week

¶ = record; i = mark made indoors;

(out) = outdoor leader inferior to indoor best
