Quotes from women's race

VILLANOVA COACH JOHN MARSHALL: "This team came a long way in the last few weeks. We had some slight problems with illness, we had some slight problems with injuries but this group pulled together. We didn't have much depth but I never gave up on this team. I didn't feel any pressure because of our tradition but I was concerned for this team.

"I'm happy with the way we performed. We showed guts and ran with intelligence. We knew it would be tough. It was impossible to focus on the four or five teams that were closest to us. I hadn't seen Michigan all year so certainly couldn't focus on them or Arkansas or Providence or Colorado. I just kept my focus on our team and was proud of the way we ran."

CHAMPION, JENNIFER RHINES, Villanova: "I'm excited. I've wanted this for a long time. It helped to have seen this course before. But, the pace wasn't as fast as it was when we ran here last time. Everybody got conservative. I'm happy for our team."

Second place, AMY RUDOLPH, Providence: "As we were going up the last hill I thought I could kick past her but she just kept going. It wasn't my day to win. This is the toughest course I've been on this year."

Third place, BECKY SPIES, Villanova: "It was easier to run the course since we've been here before. We knew what to expect. It was great to win the title."
