SAMPLE NEWSLETTER SUBSCRIPTION RESPONSE:

Here is the response of one reader to the letter with the September 3 Track Newsletter describing our subscription plight. It's from Jerry Brodie of New York City.

"Enclosed please find my check for \$24.00 in response to your letter. I haven't anyone I can think of to sell Track Newsletter to. However, I thought your office would know of four young men who would like to subscribe but cannot because of financial problems.

"Whatever you do with the money, I don't care--just keep TN going. May I suggest an increase in price. \$6.00 is ridiculously low."
