## ALL-TIME OREGON MILE LIST

The University of Oregon is renowned as a bastion of mile  
 strength, and not for little reason. This all-time Oregon mile  
 list shows just how strong. The marks represent the best times  
 recorded by Oregon students as undergraduates. Of course,  
 many went on to record even better times after graduation,

and others have equivalently better 1500 clockings.

It is interesting to note just where Oregon milers make  
 their best performances. Most have either done it in the annual  
 Oregon Twilight Meet or another Eugene competition. \*=mark  
 made in Twilight Meet; \*\*=mark made in other Eugene meet.

# WORLD RECORD PROGRESSIONS (9)

compiled by Dave Terry (Heston, GB)

This is the sixth installment in a series chronicling the development of the best performance in each event. The listings give both the IAAF-accepted records (denoted by \*) and the

progression of the "bests" (i.e., statistically acceptable marks never officially ratified). Please disregard the enumeration of previous installments of this feature. The above is correct.
