## WORLD & AMERICAN JUNIOR RECORDS

The National Junior Championships, to be held in Gainesville, Fla., on June 22-23 take on added significance this year, as the meet serves as a qualifying competition to go on tour in Europe this summer. The meet is open to all those athletes born in 1954 or later.

These records are calculated on the basis of the athlete remaining a teenage throughout the entire year of competition in which the mark was made—e.g., to set a Junior record in 1973, the athlete must be born in 1954 or later.
