POSITION OPENING

The fact that you are reading *Track Newsletter* indicates that you are a special person. One who really likes track. And that's the kind of person we like to have working for us at *T&FN*.

We are happy/sad to report that Tom Jordan will be leaving the editorial staff to work in our business office. We are happy for Tom and his new opportunity, but sad for the editorial department in losing him.

And we need a replacement. Intersted? A "job description" would take much more space than is available here. Everyone

does a lot of different things at T&FN. If you think you possess these skills—1. writing ability and good command of English; 2. statistical sense; 3. acceptance of unglamorous tasks; 4. above-average typing skill; 5. above all, a devotion to our sport—then let us know. (A working knowledge of French or German is also valuable.)

Please don't call: write to Managing Editor Garry Hill, Track & Field News, Box 296, Los Altos, CA 94022. We will send you more details. We are eager to fill this position as soon as possible.
