## ALL-TIME NCAA/AAU DOUBLE WINNERS

In 56 years of NCAA meets, 182 winners have gone on to win the AAU crown in the same event that year (avg. 3.25/year). The most productive year was 1971, when 8 athletes turned the trick. There were 6 in '34, '36, '67 & '69. The low-water mark of 0 came in '48 and '65.

\*At least one of the titles was shared. This was very common in the vertical jumps until countback rules were established.

# 1977 UNITED STATES JUNIOR MEN'S LIST

compiled by Jack Shepard, Jim Rorick & Garry Hill

A junior must remain a teenager throughout the complete year in which his performance is made (therefore, for 1977 the earliest one could have been born is 1958). We have listed birthdates where known. ?=birthdate unknown, but athlete competed in National Junior Championships and is legal; ??=birthdate unknown, but athlete *could* be a legitimate Junior (if he has a high school affiliation then it is virtually certain that he is legal—if he is a collegian then chances are about 2-1 that he is legal).

We welcome all amendments to these lists.

Many notable alterations were made on the all-time U.S. Junior list by the preceding performers. Those moving into the top 10, with their positions: 100—Harris 7; St—James 4, Spangler =9, 5000—Salazar 4, Hunt 5, Spilsbury 7, Froelick 9; 10,000—Salazar 5; 110H—Foster =1, Nehemiah 3, Chesley 7; 400H—Lankford 4; HJ—Olson 1, the 7-2s =9; PV, Olson =5, Hall & Hintnaus =8; LJ—Doubley 2, Jackson 8; TJ—Lowe 6, Cannon 9; SP—Stover 10; DT—Scott 3; HT—Lenz 6, Baginski 9; JT—Petranoff =4; Dec—Reilly 8. World all-time stats are still being updated, but it appears that moving into the top 10 there will be Salazar (both), Hunt, Foster, Nehemiah, Lankford, Gail Olson, Doubley & Scott.

**MEN'S WORLD INDOOR RECORDS**

The IAAF does not maintain official indoor records. This list therefore represents a compilation of the best statistically-acceptable marks in each event (including relay teams with foreigners on them).

Only automatically timed marks are used at distances of 440y and less. While we stand foursquare behind the abolition of English-distance records, we have listed them here still due to the reticence of American indoor promoters to switch to meters. If they're going to run them, we have to give you adequate points of reference.
