WORLD RECORD

Oslo, July 5—800, Coe (GB) 1:42.4 (1:42.33). Full details next issue.

You've probably noticed that the last couple of issues have been coming later in the week. You can give credit for that to the U.S. Snail (err, Mail). Or maybe it's the Europeans. But whatever, mail from Europe, which provides us with most of our results at this time of year, has been taking 10 days or longer to get to us. So please bear with us. We can't send you news that we don't have ourselves.

Stat note: Beilschmidt jumped 7-6% on June 6, 8 and 13. Now that's impressive!
