• 1983 U.S. MEN'S AND WOMEN'S JUNIOR LISTS •

Compiled by Mike Kennedy, Jack Shepard and Howard Willman

To qualify for these lists, male athletes must be born in 1964 or later, and female athletes in 1965 or later. We have listed birthdates where known. ?=birthdate unknown, but athlete participated in Junior competition, so is presumed to be legal; ??=birthdate unknown, but athlete is thought to be legal due to his/her scholastic standing.

The current World and American Junior Records are listed at the head of each event. Each list gives the top 5 performances and 10 performers of the year. Symbols not explained at head of event: (A)=mark made at an

altitude above 1000 meters; i=indoor mark; &=mark made on Boston College's oversized 434-meter track in Chestnut Hill; !=secondary mark in a field-event series; +=hand time converted to auto by adding either 0.14 (100, 200, 110H, 100H) or 0.24 (400, 400H). In races beyond 400m, hand times are not converted. Rather, they are given an inferior position to auto-times with the same tenth-second decimal (e.g., 1:48.68 comes ahead of 1:48.6). As usual, we owe special thanks to many people: John Auka, Fred Bear, Bill Peck, Jim Spier, and Mark and Max Zucker. We welcome all amendments to these lists.
