• 1985 UNITED STATES MEN'S LIST •

compiled by Dave Johnson

This represents the "final" U.S. Men's List for the 1985 season in all standard events except the marathon, which still has much action remaining and will be printed in an upcoming issue.

These lists include at least 50 U.S. citizens except in non-national championship events (e.g., mile) and at least 10 performances. Where more than 10 performances are given, it is done to list all the performances making the all-time U.S. Top 25. The end of a performance section is denoted by an underscore.

Resident foreigners are listed after the main body of U.S. performers, and any foreign performances qualifying for a combined (U.S. and residents) Top 10 are also given in the resident foreigners section. In field events, each mark within a series is considered a performance. The reporting standard for the year is listed at the end of the main body of the U.S. lists.

Records are listed at the head of each event. Record symbols: W=World; A=American, C=Collegiate; WJ=World Junior; AJ=American Junior.

Conversion factors are listed after the records of each affected event. Wind-aided and hand-timed lists are given after the main body and include marks only when intrinsically superior to the best legal mark using the accepted factor of 0.24 for straight events and in the 400, hand times are included in the main body, using 0.14 as the conversion factor. For events longer than 400m, hand-timed marks are not converted but are given an inferior position to auto-timed marks when both have the same tenth decimal (e.g., 1:47.24 is listed ahead of 1:47.2).

Symbols: (A)-mark made at an altitude above 100m (affected events only); i=indoor mark; ' after an athlete's name=resident foreigner; !=secondary mark within a field-event series; collegiate classe-***fresh; **=sophomore; *=junior; -=senior; ?=class unknown.

We would like to thank Kirk Blackerby, Mike Renfro, Jed Brickner, Tom Feuer and especially Scott Davis for their time in checking the lists. We are eager to receive amendments to these lists, as they will be published in subsequent issues. Please submit amendments to Box 296, Los Altos, CA 94023.
