JOB OPPORTUNITY

If you're not daunted by the prospect of a lot of hard work at a rate of pay that won't make you independently wealthy, *T&FN* might have a place for you.

It appears that we will have an opening in our editorial department later this year (the first one in years and years!).

An intense knowledge of the statistical side of the sport is essential—that's why first notice is being made here in the newsletter—but equally as important is a grasp of the English language and writing ability. A foreign language won't hurt either.

If you're interested, please *write* (DON'T CALL) to managing editor E. Garry Hill at Box 296, Los Altos, CA 94023.
