Don't panic when you don't get a newsletter next week--there isn't one on the schedule. There will be issues the two following weeks, then we'll go into the summer schedule of having one every two weeks.

The current plan is to have U.S. lists in the June 16 (including NCAA) and 23 (including TAC) editions, then switch to the first world list for June 30. We'll go back to a U.S. list for July 14, pre-Trials.
