BONUS TIME!

*You lucky people! At no extra charge you're
going to get an extra edition of the newsletter
this year (26 issues instead of 25).*

*The extra load that's going to be produced by
the Trials and the World Junior Championships
(to say nothing of Europe itself) makes it
obvious that we can't get by with the proposed
schedule. So ignore page 120.*

*The next newsletter will indeed be in two
weeks (7/28), and it will be virtually completely
devoted to the Trials. But from then up until
Seoul, the schedule will be August 4 (the
following week), August 18; September 1, 15.*

Any complaints?
