In case you missed the note in the last issue, we'll point out again that we've modified the publishing schedule a bit, and you'll also get one more issue (no charge) this year.

Instead of the normal summer 2-week break, there will be just 1 week until our next mailing.

Ergo, the schedule for the rest of the year now looks like this: August 4, 18; September 1, 15; October 13; November 10; December 29.

Next week's issue will include the women's Trials results. It will also go back to the yearly world list. This issue's U.S. list is the last we will publish until the year-ending 50-deep ones.
