Egads! Only 5 more issues to go this year:

September 1, 15; October 13; November 10; December 29.

That's the bad news. The good news must be that if we're that close to being done, we're also exceedingly close to the BIG one in Seoul. You'll get more issues (after this one) before then.

K-K-K-K-KENYA

Preliminary reports from the Kenyan Olympic
Trials (sorry, no results yet) are hardly
encouraging.

World champ Billy Konchellah didn't show, as
asthma problems have left him out of shape.

World champ Paul Kipkoech has malaria
problems again and DNFed the 10,000.

Olympic champ Julius Korir had a foot problem
and didn't run.

Apparently none of the three will be in Seoul.
