Conference's Last Call?

It has nothing at all to do with track, of course, and everything to do with football, but the face of conference alignments in collegiate track is undergoing major changes.

This year's SWC Championships may have been the last for that Texas-based loop, as 7 of the 8 members are slated to join either the Big 8 or WAC by 1996.

Doug Mitchell of the *Houston Post* reported that there was lots of talk at the meet, however, that non-revenue sports such as track would be in their new homes by next year.

SWC commissioner Dale Hatchell, however, said, "There has not been any conversation on that whatsoever. There's a prevailing feeling that 1994-'95 will be business as usual. There's a lot of sensitivity about breaking it up early."

USATF Fills High Position

USATF's top managerial staff is back up to strength with the appointment of Duffy Mahoney as Director Of Operations.

Mahoney fills the spot left open since late '93, when Thomas McLean moved from the operations position to Director Of Administration, replacing Dale Neuburger.

Mahoney, 49, has served as USATF's Manager Of Teams & Athlete Services since '89. A '66 graduate of Notre Dame, he was the coach at St. John's before joining the Indianapolis staff.
