Thanks to the members of FAST (Federation of American Statisticians of Track) for their efforts in crosschecking these lists.

Please send amendments to *T&FN*, 2570 El Camino Real, Suite 606, Mountain View, CA, 94040. No corrections by phone please; fax them to us at 415/948-9445.

Symbols: \*\*\*=fresh; \*\*=sophomore; \* = junior; -=senior; ?=year in school unknown; (A)=altitude over 1000m (in affected events only); +=converted mark; !=secondary mark in field event series; i=indoor mark; w=decathlon mark in which the wind in at least one of the affected events exceeds 4.0mps; h=decathlon mark that includes hand times.

Although the new statistical policy we started this year doesn't allow marks to make the all-time collegiate list after the Nationals, we have nonetheless included marks made by foreign collegians throughout the summer, to further research into PRs and seasonal bests.
