Texas Southern, Ridgway Star

By Al Lawrence

Laredo, Texas, March 10 -- A magnificent individual performance by Colin Ridgway and the combined team effort of Texas Southern completely dominated the 30th Border Olympics.

Ridgway, an Australian representing Lamar Tech, achieved the greatest leap of his career when he sailed over the bar at 7'1 $\frac{1}{2}$ ", the highest ever jumped by an Australian and the best leap ever made by anyone in the British Empire. After all other competitors missed at 6'2" Ridgway was alone and the lanky 6'5" sophomore cleared 6'7", 6'8", 6'9", 6'10", and 6'11" on his first tries. He then had the bar set at 7'1 $\frac{1}{2}$ ". A hushed stadium watched as he made his first attempt but he failed when his arm brushed off the bar on his way over. On his second attempt he went cleanly over the bar. Making an anti-climatic attempt at 7'1 $\frac{1}{2}$ " he gave up after two attempts.

The talented Texas Southern squad turned the college division competition into a farce when it amassed 107 points, which was nearly as great as the combined scores of the next three opponents. The best Texas Southern time was in the 440 relay when the quartet flashed around two turns in 40.2, third fastest time ever for two turns. Overton Williams was a replacement for the injured Lester Milburn.

Homer Jones scored an impressive sprint double, 9.6 and 20.5 into a three m.p.h. wind.

Another impressive double was the 4:10.3 and 9:04.1 turned in by Pat Clohessy of Houston. In both races, Clohessy used a long sustained drive for his victories.

Maryland Wins ACC Title

Chapel Hill, N.C., March 10 -- The Maryland Terrapins took only two firsts but had enough strength in the middle distances to retain the Atlantic Coast Conference indoor title with 61 points. Only winners for the Terps were Don Van Reenan in a 6.3 60 and John Belitza, who pole vaulted 15', one of the outstanding performances of the meet. Another top performance was the 6'7 $\frac{3}{4}$ " high jump turned in by North Carolina sophomore Tom Clark. However, the meet's outstanding athlete award went to Duke's Jerry Nourse, who first won the mile in 4:13.0 and doubled back to take the two mile in 9:18.0, a conference record. North Carolina was second in the team standings with 44 2/5 points followed by Clemson 28 $\frac{1}{2}$, Duke 22 1/5, South Carolina 15 1/5, Virginia 13 $\frac{1}{2}$, North Carolina State 4 and Wake Forest 3 1/5. Other winners: 600, Hart (NC) 1:13.0. 880, Brent (NC) 1:58.7. 70HH, Bradshaw (SC) 8.6. 70LH, King (Clemson) 7.4. BJ, Gambrell (SC) 21'9 $\frac{3}{4}$ ". SP, Gesswein (Duke) 54'5 $\frac{1}{4}$ ". Ankio Vaults 15' 7 1-2"

By Jack Clowser, The Cleveland Press

Cleveland, O., March 16 -- The greatest vault of all time by a European, the fastest indoor mile ever run on a 12-lap track and an American women's record for the 880 sparked the 22nd Cleveland Knights of Columbus Games.

Red-headed Tom O'Hara, the 19-year-old, 130-pound Loyola of Chicago sophomore, uncorked a 4:02.8 mile as he ran away from his opponents. O'Hara's time cracked the meet record of 4:04.6 set by West Santee. For the last 1200 yards O'Hara had to make his own pace and had these 440 times: 59.7, 2:01.7, 3:02.7.

Risto Ankio, the 24-year-old Finn soared 15'7 $\frac{1}{2}$ ", 7 $\frac{1}{4}$ inches over his previous personal best and the highest ever vaulted by a European, either indoors or outdoors. Countryman Pentti Nikula

recently cleared 15'5 $\frac{1}{4}$ " indoors while the European outdoor record of 15'5" was set by Germany's Manfred Preussger last year. After his 15'7 $\frac{1}{2}$ " clearance, Ankio then had the bar put at the world indoor record height of 16'1 $\frac{1}{2}$ ". He hit the bar on the way up each time. "But at least," he said, "I will not be afraid of such heights now."

Sandra Knott, 24-year-old graduate nurse, started the women's 880 with a record in mind and went on to clock 2:17.4, a tenth of a second under the record set by Leah Bennett in the National AAU women's meet.

The 600 was a great contest. Home townner Dave Mills roared into the lead and held it for nearly 500 yards. The fine Notre Dame freshman, Bill Boyle, then collared Mills and got a four-foot lead. But Mills did it the hard way, around the outside on the last curve, to nip Boyle by a tenth in a good 1:10.5.

An upset rivaling that in the pole vault occurred in the two mile when wonder boy Bruce Kidd faded to fourth after threatening to make it a one-man show. Yale's Bob Mack, IC4A champion, won in 9:01.6. Kidd had no alibis, but coach Fred Foot said, "He's had some bronchial trouble."

Dyes Scores Double Win

Odessa, Texas, March 17 -- Dennis Richardson of Abilene Christian came from behind on the anchor leg of the mile relay to give the Wildcats a tie for the team title in the university division of the West Texas Relays. ACC and Texas both scored 73 $\frac{1}{2}$ points.

However, the major credit for the Wildcat victory should go to sophomore Jerry Dyes, who won two events and took second in another. In addition he took a fifth in the discus. Dyes won the javelin at 232'8" and came up with a wind-assisted 24'6 $\frac{1}{2}$ " leap in the broad jump to account for his two victories. He was second in the shot at 50'8 $\frac{1}{2}$ " and took fifth in the discus at 131'2 $\frac{1}{2}$ ".

Overall, Abilene Christian captured four relay events, the 440 in 41.7, the 880 in 1:26.5, the mile in 3:16.7 and the distance medley in 10:13.3. The only relay to elude the grasp of Coach Oliver Jackson's crew was the sprint medley relay, which went to Texas A&M in 3:28.2.

A wind of between 20 and 25 miles per hour produced some fast times in the 100 and high hurdles. In the open 100, former Texas star Ralph Alspaugh clocked 9.3 with Ted Nelson (Texas A&M frosh) and Boyd Timmons (Houston frosh) close behind in 9.4. Ray Cunningham of Texas extended his unbeaten streak by running 13.7 in the high hurdles as Bobby Bernard finished second in 14.0.

Davies Defeats Graham, Martin

Winnipeg, Canada, March 17 -- The pole vault once again took the spotlight at the Canadian Indoor Championships as world outdoor record holder George Davies climbed to a season's best of 15'5³/₈", leaving fellow 15-footers Jim Graham and J.D. Martin nearly a foot behind at 14'6". It was the highest vault ever made in Canada. Davies then tried 16' but wasn't close.

Outside of Davies, most of the excitement was generated by the East York Track Club of Toronto. Bill Crothers set a Canadian 600 record of 1:11.8, teammate George Shepherd clocked 58.2 to win the 500 and Bruce Kidd upset highly-regarded Jim Irons to win a tactical mile in 4:13.4.

W. Mich. Ties Indoor Record

Kalamazoo, Mich., March 24 -- Western Michigan tied the American indoor 880-yard relay record at its own relay meet with a 1:29.4 clocking. Balance gave the Broncos a tie of the record first set by the University of Chicago Track Club last year. The team and its splits were: Joel Johnson 22.3, Gaylord Barham 22.4, Dennis Wright 22.5 and Floyd Cook 22.2. Other results: 4 MileR, W. Mich. Americans Score Sweep

London, March 17 -- Four visiting American athletes made a complete sweep of their events in a two-day indoor meet at Wembley. Of the Americans the most impressive was shot putter Gary Gubner, who beat Great Britain's Arthur Rowe on both nights. On the first night, Gubner reached 64'1" with Rowe far back at 61'2¹/₂". However, things were closer the next night although Gubner still won, 62'5³/₈" to 62". March 16: 60, Winder (USA) 6.4. 60HH, Johnson (USA) 7.5. 4 American Records Fall

Manhattan, Kansas, March 24 -- Four American indoor records, two by Kansas and two by Oklahoma State, fell at the Kansas State Relays as the indoor season finished on a record note.

The Kansas Jayhawks set indoor records of 7:29.2 in the two-mile relay and 9:48.8 in the distance medley relay while the Cowboys of Oklahoma State set a mile relay record of 3:13.8 and a sprint medley record of 3:24.0.

Kansas lowered its old two-mile relay record of 7:30.8

set in Chicago earlier this season in the night session of the meet. Kirk Hagan led off with a 1:54.7, Tonnie Coane added a 1:52.2, Bill Thornton also ran a 1:52.2 and Bill Dotson anchored in 1:50.1. Dotson also played a big part in the distance medley record in the afternoon. He anchored the mile leg in 4:03.9 with Bill Stoddart leading off with a 48.9 quarter. Thornton posted a 1:53.4 for the 880 and Ted Riesinger added a 3:02.6 1320 leg. Kansas held the old indoor record of 9:51.4 set in 1954.

Charles Strong, Gary Krause and Bill Stone aided in the two Oklahoma State records. In the sprint medley OSU shaved 1.2 seconds off the old indoor record of 3:25.2 set by Colorado in 1959 as Strong led off with a 48.6 440. Krause ran 22.0 for his 220 leg as did Darrell Davis. Stone then anchored in 1:51.4. In the mile relay, the Cowboys broke the old record of 3:14.4 set by the Grand Street Boys Club in 1953. Krause led off with a 49.3, Jack Miller added a 48.5 on the second leg, Stone 48.8 on the third carry and Strong ran 47.2 for the record. Although Strong had an excellent time, he lost an almost 10-yard lead to Ted Woods of Colorado, whose fine anchor running left him a couple of strides short. 75, Sayers (Omaha) 7.5; 2. Robert Hayes Runs 9.3

Tallahassee, Florida, March 24 -- Florida A&M's Robert Hayes came up with his second best mark of the season by running 9.3 in the 100-yard dash at the Florida A&M Relays in an afternoon meet. Later in the day he ran 9.4 at Hollywood, Florida. Hayes also ran the second leg in the Rattler 440-yard relay team that clocked 40.6. Two other Florida A&M athletes had good times. Robert Harris won the 220 in 20.9 and Acey Peters clocked 23.3 in the 220 low hurdles.

Uelses Sets World Record at 16' 3-4"

Santa Barbara, Calif., March 31 -- John Uelses, world indoor record holder at 16'3 $\frac{3}{4}$ " and the first man to ever clear 16 feet, repeated that feat by clearing 16'3 $\frac{3}{4}$ " for a world outdoor record at the Easter Relays. The old record of 15'10 $\frac{1}{4}$ " was set last year by George Davies, who finished third in today's competition at 15'4 $\frac{1}{2}$ ".

Uelses, who made his record vault on his second attempt, had the bar raised to 16'4 $\frac{1}{4}$ " but he didn't make it although he had one close miss. Uelses had a miss apiece at 15'4 $\frac{1}{2}$ " and 15'8 $\frac{1}{4}$ ". Dave Tork, fast improving Marine from Camp Pendleton, was with Uelses through 15'8 $\frac{1}{4}$ ", his personal best. Jeff Chase took fourth at 15'4 $\frac{1}{2}$ ". The pole vault overshadowed a great discus duel between Rink Babka, who formerly held a share of the world record, and Jay Silvester, the current world record holder. Babka scored a narrow victory, 194'1 $\frac{1}{2}$ " to 193'1 $\frac{1}{2}$ ". Another narrow victory was scored by Larry Stuart of Santa Ana J.C., who set a national junior college record of 249'4 $\frac{1}{2}$ ". A close second was Dick Bocks, who set a personal best of 248'8 $\frac{1}{2}$ ". Arizona's Larry Dunn ran 9.3 but the time was wind-aided and Hal Connolly easily won the hammer at 219'1 $\frac{1}{2}$ ". Best relay performance of the day was a 9:50.5 by the Los Angeles Track Club in the distance medley with Jim Beatty anchoring the mile in 4:02.6.

Burleson Paces Oregon

Corvallis, Oregon, March 31 -- Dyrol Burleson anchored Oregon to a national collegiate record in the distance medley relay at the Far West Relays as the Ducks clocked 9:36.2, the second fastest time ever posted for the event. Other members of the team were Sig Ohlemann, Archie San Romani and Vic Reeve. The old collegiate record of 9:40.6 set by Stanford in 1960. Burleson also ran the third leg on the two-mile relay team which ran 7:26.6. Equally impressive was Jerry Tarr, who ran 13.7 in the high hurdles and ran legs on Oregon's winning 440 and 880 relay teams. The Ducks ran 40.8 in the 440 relay and 1:25.0 in the 880 relay. Harry Jerome, who anchored the 440 relay team, clocked 9.3 to easily take the 100. In other top performances, Oregon State ran 3:10.6 in the mile relay, Washington's John Cramer pole vaulted 15'3 $\frac{1}{2}$ " and Dale Story of Oregon State took the three mile in 13:50.2.

OREGON STATE -- One of the real powers in the nation this year will be Coach Sam Bell's Beavers. Oregon State has a well-rounded team with the only weaknesses coming in the high jump and the weight events. Points of unusual strength are the 440, middle and long distances and javelin. In the 440, seniors Norm Monroe (46.4) and Bob Johnson (46.9) and junior Gary Comer (46.6) give OSU the best 1-2-3 punch in the country. Another strong 1-2-3 punch comes in the javelin where senior Dan Likens (244'9") and junior Gary Stenlund (246'9½") and Steve Pauly (232'5") prevail. Pauly also is a 14.3w hurdler and Stenlund is a 6'5" high jumper. In the middle distances, junior Jerry Brady (1:52.2) and Norm Hoffman (1:50.3, 4:09.6) are the top runners with Monroe expected to run an 880 on occasion. The longer distances will be handled by senior Bill Boyd (8:53.9), junior Rich Cuddihy (4:11.0, 9:08.0) and junior Dale Story (4:07.5, 8:46.9). Outside of the javelin, the only other outstanding field event men are junior Jerry Betz, a 14'6" pole vaulter, and junior Ron Palmer, a 24-foot broad jumper. Sophomore Lynn Eves (9.5, 21.0) is the top sprinter with Comer (20.8) and Johnson (21.3) expected to give him some support in the 220. Overall, the Beavers have a team that should rank high in the NCAA meet and one that is capable of putting together some tremendous relay combinations.

WISCONSIN -- The surprise of the Big Ten indoor season was a young sophomore Wisconsin team that upset Michigan for the conference title. The sophomores who played a key role in the victory were hurdlers Larry Howard, Gene Dix and Bill Smith, quarter-miler Elzie Higginbottom, sprinter Louis Holland and shot putter Don Hendrickson. All should do well outdoors, especially Higginbottom, who had several 47.9 clockings indoors and could be one of the nation's top 440 men outdoors. Howard showed his class as a hurdler by upsetting highly-regarded Ben McRae of Michigan in two meets. Coach Rut Walters' squad has good overall strength with the weakest point coming in the broad jump.

SAN JOSE STATE -- As usual Coach Bud Winter has several good sprinters of national caliber. The top man is senior Dennis Johnson, who ran 9.3 and 20.6 last year. Sophomore Jim Omagbemi, who sat out last year but ran 9.5 and 20.5 in 1960, is back in action and senior Willie Williams (9.5, 20.5 and 46.3m) will spread his talents between the short sprints and the quarter. Another good 440 man is Don Ramos, a senior who ran 47.2 last year. The Spartans also have good depth in the discus where juniors Dan Studney (173'-7") and Harry Edwards (173'5") make a good one-two combination. Studney also is the team's leading javelin thrower and he reached 244'4" in 1961. Sophomore Ben Tucker (4:08.7) leads the milers while junior Jeff Fishback (9:03.2) is the top distance runner. Bruce McCullough, a senior, is a good low and intermediate hurdler and can be expected to run a 440 now and then. The weakest spot on the team is the shot put and the 880. Winter is a great believer in developing athletes in the Olympic type events and he has two good prospects in senior Ed Burke, who has thrown the hammer 192'3½" this season, and junior Ron Davis, who placed fifth in the NCAA steeplechase last season. Fishback also can run the steeplechase.

KANSAS -- The Jayhawks of Coach Bill Easton finished far down in the NCAA team standings last year but there should be good improvement in 1962. Some additional field event strength plus the usual Kansas strength in the middle and long distances make the Jayhawks the team to beat in the Big Eight. The leading middle distance men are senior Bill Dotson, a 4:02.9 miler, and junior Kirk Hagan, a 1:49.2 half miler. Senior Bill Thornton (1:51.2) backs up Hagan. Junior Charles Hayward ran some good two miles indoors but his specialty is the steeplechase, where he ran 9:14.2 in 1961 before becoming sick. Surprises during the indoor season were junior Ron Swanson, who cleared 6'7¼" in the high jump, and senior Jack Stevens, who pole vaulted 14'10". Seniors Dan Lee and Charlie Smith are dependable hurdlers while sophomore shot putter Yul Yost is pushing 54 feet in the shot. The only weaknesses for Kansas are in the 440 and broad jump.

TEXAS SOUTHERN -- Texas schools have always been noted for their sprinters and Coach Stanley Wright's Tigers aren't doing anything to tear down the tradition. The top men are juniors Homer Jones (9.4, 20.5) and Overton Williams (9.5, 20.4). Freshman T.J. Bell also is highly regarded. TSU's strength also extends into the 440 where junior Lester Milburn and freshman Ray Saddler form the nucleus of a good mile relay team. Milburn ran 46.9 last year while Saddler opened his 1962 season by running 47.1. Junior Major Adams (1:50.8) is the top middle distance runner while senior Barney Allen ran 13.8 in the high hurdles last season. He will not be able to compete in the NCAA meet because he is a fourth-year man. Most field events are weak although sophomore David Harris recently did 24'3¼" in the broad jump. In the relays, Texas Southern will be able to put together good quartets in practically any event except perhaps the distance medley.

Nambu Wins Triple Jump

By Wally Donovan

Japan's first Olympic gold medal in track and field had been won in the triple jump at the 1928 Games in Amsterdam by Mikio Oda. Three years later he set a world record of 51'1½", thus making him one of the men to watch at Los Angeles. However, a bad leg hampered him and he failed to make the final, leaping only 45'10" and finishing 12th.

The Japanese had another top competitor but he, too, was hampered with a leg injury and had placed only third in his favorite event, the broad jump, where he was the world record holder. But 28-year-old Chuhei Nambu had come to the U.S. to win a championship and he was a determined man. Erik Svensson of Sweden led the qualifying round but in the final Nambu came from behind on his next to last leap to win at 51'7", a world record. He thus became the first and only man in history to hold both world records in the horizontal jumps. Nambu's feat was highlighted by a hop of 21'. Svensson was second and another Japanese, Kenkichi Oshima, took third.

FINAL (Thursday, August 4)

1. Chuhei Nambu (Japan) 51'7" (world record); 2. Erik Svensson (Sweden) 50'3¼"; 3. Kenkichi Oshima (Japan) 49'7¼"; 4. Eamonn Fitzgerald (Ireland) 49'3"; 5. Willem Peters (Holland) 48'11¼"; 6. Sol Furth (USA) 48'9¾"; 7. Sid Bowman (USA) 48'9½"; 8. Roland Romero (USA) 48'8½"; 9. Peter Bacsalmasi (Hungary) 47'¼"; 10. Francesco Tabai (Italy) 46'10½"; 11. Onni Rajsaari (Finland); 12. Mikio Oda (Japan) 45'10"; 13. N. Papanicolaou (Greece); 14. John Portland (Canada); 15. Salvador Alanis (Mexico).

Noted with Interest

A mere inch earned a trip of several thousand miles for miler Peter Close, according to Frank Dolson. Here the Philadelphia sportswriter tells why:

Pete Close is a miler who knows the value of an inch. That was the margin by which the St. John's grad earned third place in the 1960 Olympic Trials -- and a berth on the U.S. team for the Rome Games.

Running in the Olympic Trials is an unforgettable emotional experience. Close wasn't supposed to have a chance to make the team. Neither was Cary Weisiger, the ex-Duke miler who had trained with Close at Quantico. Weisiger was one of the runners in the blanket finish who didn't make it. "I'll never forget waiting for the race to start," Weisiger recalled.

"All of us were over at the practice field (at Stanford), sitting down in the only shady spot we could find. Nobody said a word. We just sat there, looking at the ground. They had a two-way radio setup. Finally, they announced the 1500. All of us got up and walked over to the stadium -- like sheep being led to the slaughter."

Close, according to Weisiger, is "one of the most relaxed athletes I've ever seen." But that day was a little different.

Pete closed with a rush, coming from far back in a desperate bid for the final qualifying spot. "I saw Pete collapse on the ground after hitting the tape," says Weisiger. "All he kept saying was, 'I made it, I made it.'"

"I was sure in my own mind I'd made it," Close remembers. "Then I heard them announce the order of finish on the loudspeaker. First, they'd call off the guy's number, then his name.

"I heard them say, 'Third, number 123,' and my mind went blank. I thought they were calling off somebody else's number. I jumped up screaming, 'I was robbed,' and I started pounding this guy (an official) standing in front of me. Then I heard them announce my name. The guy started laughing at me and pushed me away. I was so weak, I fell down and collapsed."

After living through that experience, "every other meet I've been in seems like a development race," says Close. "This year there's no pressure. I might have my best year."

The 10,000 meter race to be held at the Kansas Relays on April 19 has plenty of awards to attract entries. The winner of the race receives a trophy and a watch, the runnerup gets a watch and the third, fourth and fifth place finishers are given plaques. . . John Uelses, who holds both the indoor and outdoor world pole vault records at 16'¾", says that his goal for this year is 16'6" . . . pole vaulter J.D. Martin will compete in the decathlon at the Kansas Relays . . . pole vaulter Jack Stevens has been sidelined with a lame shoulder. He injured the shoulder at the Big Eight indoor meet when he set a personal best of 14'10".
