Team Title to ACC

San Angelo, Texas, March 31 -- Although winning the team title with 40 points, Abilene Christian failed to win a single relay as Baylor upset the Wildcats in the 440 relay with SMU winning the mile relay at the San Angelo Relays.

In the 440 relay, Bill Kemp made up two yards on ACC's Earl Young as they entered the stretch and gained a fraction more to win on the lunge in 41.2. Paul Holley of SMU moved his team from third to first with his 47.8 anchor leg in the mile relay with a 3:14.5 as Abilene Christian, running without Young, was second a half second behind. Although blanked in the relays, Coach Oliver Jackson's crew picked up four individual titles. Jerry Dyes was a double winner, taking the javelin with a 237'2" heave and the broad jump with a leap of 24'3". Dennis Richardson won the 100 in 9.8 and John Lawler captured the mile in 4:20.8 with teammate Denis Moore, second only two-tenths of a second back.

Missouri Clocks 7:28.0

Fayetteville, Ark., March 31 -- The University of Missouri Tigers led off the 12th annual Arkansas Relays with a 7:28.0 in the two-mile relay, the fastest time ever turned in by a Big Eight team. The big hero for the Tigers was quarter-miler Jim Baker, who ran his first competitive 880 on the second leg and contributed a 1:50.8, the best Missouri time. Jerry McFadden led off with 1:53.7, Greg Pelster had a 1:52.2 on the third carry and Bill Rawson anchored in 1:51.3. Baker later came back and ran a 46.7 anchor leg in the mile relay but his effort fell short as Oklahoma State won in 3:13.4 with Missouri a tenth of a second behind.

Overall, however, most of the honors for the day went to teams from Oklahoma. Oklahoma U. won two relays and four individual events while Oklahoma State won three relays. Anthony Watson won the broad jump at 23'5¹/₂" and anchored the winning 440 and

By Al Lawrence

Austin, Texas, April 7 -- Texas Southern, the first Negro team to ever compete in the Texas Relays, completely dominated the 35th running of the meet, winning five relays in the college division and setting a record in each.

On Friday morning, before rain washed out most of the day's program, the TSU team warmed up for its assault on the record books with a 1:23.7 clocking in a 880 relay heat. On Saturday, after the track had been soaked in gasoline and burned off, the Tigers racked up a series of incredible performances. Leading off their 440 relay quartet of Homer Jones, Barney Allen, T.J. Bell and Overton Williams ran a record 40.5. Then the sprint medley team took over and lowered the meet record to 3:21.5. Running on this team were Ray Saddler, Jones, Bell and Major Adams. TSU next ran 1:24.0 in the final of the 880 relay, then the two-mile relay foursome set another college division record with a 7:30.6. However, the best was saved for last as the quartet of Melvin Houston, Wesley Blackmon, Saddler and Lester Milburn turned in a 3:09.0 in the mile relay, best time in the nation this year. Ray Saddler, a freshman from Oakland, Calif., was the standout on the TSU squad. He ran a 46.0 leg in the sprint medley, a 1:53.3 in the two-mile relay and a 46.3 in the mile relay. Coach Stanley Wright's crew was picked as the outstanding team at the meet.

The university division of the meet saw some of the most exciting races in the meet's history. Abilene Christian won three relays and Kansas two with the Jayhawks Bill Dotson getting the meet's outstanding performer trophy. In the first event of the day, the distance medley relay, Dotson took off 25 yards behind Brian Turner of Southern Illinois and clocked 4:03.9 to give his team a 9:46.4 victory. Later in the day, Kansas had to have another fine anchor leg from Dotson to narrowly win the two-mile relay in 7:27.7. Without the services of leading half miler Kirk Hagan (ill with the flu), Kansas gave Southern Illinois a lead but Dotson chipped in with a 1:49.7 for the win.

Abilene looked impressive with wins in the 440 relay (40.9), the 880 relay (1:23.6) and mile relay (3:10.0). To win the mile relay, anchorman Earl Young brought his team from fourth to first with a 45.2 effort to edge Oklahoma State (3:10.2) and Missouri 3:10.4. In the frosh division, ACC also won the mile relay there with a fine 3:12.6. The best field event performance was turned in by Fred Hansen of Rice who hit 15'6½" to defeat Bayliss Bennett of Texas and Dexter Elkins of SMU (both 15'). Hansen had three unsuccessful tries at 15'10½" with the Rice junior knocking off the bar on his way down on his first try.

Gainesville, Fla., March 31 -- Northeast Louisiana, featuring the famed twin combination of Dave and Don Styron, set four records to dominate the 19th annual Florida Relays.

The twins had a part in all of the records and shared the outstanding individual award. Don ran 13.8 in the high hurdles to set a record there and then joined with Dave and his Northeast teammates to set records in the 440 relay, sprint medley relay and mile relay. Northeast ran 41.1 in the 440 relay, 3:23.1 in the sprint medley and 3:11.9 in the mile relay. The only record the Styrons didn't take part in was in the two-mile run when Jerry Nourse of Duke ran 9:05.4. Dave Styron also was an individual winner, bucking a strong wind to win the 100 in 9.6.

Burleson Runs American Record 8:42.5

Eugene, Oregon, April 7 -- Oregon's Dyrol Burleson, already the American record holder in the mile, added the American two-mile record to his accomplishments today with an 8:42.5 performance against Brigham Young.

Burleson's mark broke the old American record of 8:43.8 set by Bill Dellinger in 1960 and the national collegiate record of 8:45.4 set by San Jose State's Charles Clark last year. However, Burleson's mark was short of the American all-comers record of 8:40.8 set by New Zealand's Murray Halberg last year. Halberg also has an 8:34.3 clocking indoors. Teammates Clayton Steinke and Vic Reeve were a big help to Burleson with Reeve the biggest contributor. Steinke led through a 2:14 half but at the mile Reeve was ahead in 4:28.5. Reeve also held the lead at the 1½ mile point with a 6:41 and with a lap to go in 7:48. Burleson was never more than a step behind all during the race and as the gun sounded he took off and clocked 54.7 for his final 440. Reeve came in with a personal best 8:52.5 while Steinke ran 9:09.9, also a personal best. Burleson's previous personal best was a 9:03.9 set last year. **Mile**, Forman (O) 4:07.3; 2. Boston Scores Triple

Athens, Ohio, April 7 -- World broad jump record holder Ralph Boston won three events to easily take the individual honors at the Ohio University Relays. Although a heavy track held down most of the performances on the track, Boston still clocked a good 14.3 in the 120-yard high hurdles. He also won his specialty with a leap of 24'10½" and took the high jump at 6'4½".

Dave Tork Pole Vaults 15'6"

Long Beach, Calif., April 7 -- Marine lieutenant Dave Tork cleared 15'6" and then narrowly missed 16'1" in an all-comers meet at Long Beach State. Tork went over 14', 14'6", 15'1" and 15'6" on his first attempts and then with the bar set at the world record height of 16'1" he was over but his trailing arm knocked off the bar. His best vault probably came at 15'6" where the head pole vault judge said Tork cleared by about 10 inches. **100**, Smith (Striders) 9.5; 2. Richardson (Long Beach St) 9.5; 3. Passey Sets NCAA Discus Mark

Tucson, Arizona, April 7 -- NCAA discus champion Glenn Passey of Utah State broke the national collegiate discus record in a dual meet against Arizona today with a throw of 190'9½". His effort broke the old collegiate record of 190'¾" set by Sim Iness of Southern California in 1953. Jim Wade, also of Southern California, has a mark of 190'6½" pending as a collegiate record. He turned in that performance in 1960 but the mark has not been approved as yet.

Passey won the discus from Arizona's Karl Johnstone, NCAA runnerup last year. Johnstone threw 180'9½". Passey's discus weighed four pounds, seven ounces. Despite Passey's effort, Arizona easily won the meet, 87-43. **120HH**, Swindle (US) 14.3. **220**, Robbins (A) 21.0.

Great Double By Plummer

Abilene, Texas, April 14 -- It was practically the NCAA 440 final all over again as New Mexico's Adolph Plummer edged Abilene Christian's Earl Young in a 46.0 race during a triangular meet. The 46.0 was just one half of a great double by Plummer. He also took the 220 on a straightaway in 20.0 but he was aided by a nine mile per hour wind. Young, edged by Plummer in last year's NCAA final, clocked 46.1 in second, his all-time 440 best. In the 220, Dennis Richardson of Abilene Christian ran 20.2 in second and Larry McCue of Kansas had a 20.3 in third. Richardson also won the 100 in 9.4 with the wind under the legal limit. Another star for ACC was Jerry Dyes, who won the javelin at 248'6", his all-time best. Bill Dotson was a double winner for the winning Jayhawks. He took the mile in 4:12.6 and doubled back to clock 1:53.0 in the 880. Bill Hayward, also of Kansas, ran 9:25.3 to easily win the two mile from ACC's Denis Moore and Charles Smith of Kansas clocked 22.8 in the 220-yard low hurdles with the help of a six miler per hour wind. Bud White of Abilene Christian took second in the lows in 23.2. The other top mark in the meet came in the 440 relay where ACC ran 41.2. Kansas won the meet with 70½ points followed by host ACC with 50½ and New Mexico with 49.

Field Event Men Excel

Quantico, Va., April 14 -- Field event men Dave Tork, Al Oerter and Gary Gubner took the play away from the runners at the Marine Corps Relays.

Tork easily captured the pole vault with a 15'7¾" effort as John Belitza of Maryland and Mel Schwarz took second and third, respectively, both at 15'1". Villanova's Rolando Cruz was fourth with 14'6¼". Oerter showed that he's ready to do battle with Rink Babka and Jay Silvester by firing the discus 191' on Friday, his best mark in two years. He had practically no competition as Ed Kohler of Fordham took second at 171'2½". Gary Gubner of New York University was third in the discus on Friday with a personal best 169'½" and came back on Saturday to take the shot at 62'6" as Dave Davis came up with his first 60-foot toss in two years at 60'3¾". Villanova's Billy Joe was third at 58'11".

Bob Gardner won the high jump at 6'8¼" while Winston Cooper of St. John's had no trouble taking the triple jump at 49'10¾". In the hammer, Eino Keerd shaded Al Hall, 192'6½" to 192'4". Nick Kovalakides beat Bill Alley in the javelin, 230'4½" to 226'3". On the track, Cary Weisiger turned in the top performance, winning the 880 on Friday in 1:51.3 from John Dunkelberg's 1:51.5 and then taking the mile on Saturday in 4:06.3 with Pete Close second in 4:10.5. Veteran Deacon Jones was an easy steeplechase winner, clocking 9:15.8 but John Gutknecht had a tougher time in the 10,000, winning in 30:44.6 on Friday with Alex Breckenridge next in 30:47.0. In the relays, the Quantico Marines and Morgan State led the way. Quantico had the best sprint medley relay time, 3:24.0, and the top mile relay clocking 3:13.5. Morgan State captured the 440 relay in 42.2 and won its section of the mile relay in 3:13.7.

Uelses, Davies Do 15'5"

Lafayette, Louisiana, April 14 -- World record holder John Uelses and former world record holder George Davies battled down to the wire in the pole vault at the Southwestern Relays before Uelses won out on fewer misses. Both cleared 15'5" but they were hard pressed for the individual honors by Don Styron of Northeast Louisiana and Ed Red of Rice. Don Styron took the high hurdles in 13.8 and ran legs on Northeast's winning 440 (41.2) and mile relay teams (3:12.2). Brother Dave also ran on both relay teams and also took the 100 in 9.5. Red won the javelin with his all-time best of 230'2". Fred Norris of McNeese State took the two mile in 9:09.4.

Americans Win 10 Events

Pointe-a-Pierre, Trinidad, April 1 -- An American international team of five athletes accounted for 10 victories at the Southern Games. The top performances were turned in by Jack Yerman, who took the 400 in 46.5, a West Indies record, the 800 in 1:50.8, a Trinidad all-comers record, and then anchored the 1600-meter relay team to a 3:14.8 victory, also a Trinidad all-

comers record. Others on the 1600-meter relay team were Phil Mulkey, Jim Brown and Charles Mays. Mulkey, Mays and Yerman along with John Thomas also comprised the 400-meter relay team which won in 42.3, another Trinidad all-comers record. The busiest man on the American team was Mulkey, who competed in 10 events during the two day meet. He scored three victories, the shot at 51'3", the pole vault at 13' and the triple jump at 47'9½". He placed second in the broad jump and discus, third in the high hurdles, fourth in the javelin and fifth in the high jump. Thomas won the high jump at 6'7", placed second in the high hurdles and shot put. Mays won his heat of the 100 meters in 11.0, took the broad jump at 24'2", took third in the triple jump and second in the 200. Brown was second in the 1500.

Oregon's Dyrol Burleson was pleased with his recent American two-mile record of 8:42.5 but he thinks he could have run faster. When told that his last 440 was 54.7 he said, "That's what makes me happy. I don't care about the time. That means we could have run faster if we'd been faster in the middle laps. We were trying to run each lap in 67." And they almost did it. Before the final lap, the fastest time for the Oregon runners was 65.0 and the slowest 68... there are some tall tales following Texas Southern around the relay circuit. Here are two of them. At one meet two Texas Southern hurdlers were so far in front of the field they were chatting back and forth with each other as they cleared the last few hurdles. Another tale goes like this: At another meet a Texas Southern runner was in his starting blocks waiting for the start of the 440. A teammate came by with a hotdog and said, "Want a bite of this hotdog?" "Save it for me 47 seconds," came back the answer. Then the runner ran 47.1.

Utah State's Glenn Passey, who recently set a national collegiate discus record of 190'9½", had a practice throw of 194'2" in March. Passey, incidentally, only weighs 178 pounds... Oregon's Harry Jerome thinks a 9.2 might be near for him. "I think a 9.2 will come for me one of these days -- if I don't worry about it," Jerome said. "Maybe I'll get mad at somebody sometime and tear out of those blocks. Maybe it will be some hot July day, and, of course, it might never happen to me, but I feel it will eventually"... heavy rain forced the postponement of most events during the Friday session of the Texas Relays. However, some events were held despite the sloppy track. The conditions prompted public address announcer Bill Whitmore to come out with this slip, "... and now they're going into the backstroke... er, backstretch"... Oklahoma State coach Ralph Higgins thinks his mile relay team can run 3:08.0 outdoors. The Cowboys ran 3:13.8 for an American record indoors and clocked 3:10.2 at the recent Texas Relays.

1962 Indoor Ranking

By George Grenier, Indoor Editor

Criteria used in the rankings included: (1) win-loss record; (2) consistency of marks; (3) sequence of marks. In the case of college athletes, their performances in the conference championships were a factor. A written analysis of each event can be found in the March issue of TRACK & FIELD NEWS.

OREGON -- If Coach Bill Bowerman had a top flight 440 man, he would have a complete team. However, as it is his Ducks still have an excellent chance to capture the NCAA title before the home folks in June. The 440 and perhaps the pole vault are the only weak points of a team, that on paper, looks stronger than Southern California, defending NCAA champion. As usual, the middle and long distances supply the most strength with Dyrrol Burleson, American record holder at one and two miles, the key. Burleson, defending NCAA mile champion, can run with the best of them from the 880 to the three miles, as evidenced by his all-time bests of 1:48.2 in the 880, 3:57.6 in the mile and 8:42.5 for the two miles. Should he falter such capable athletes as Archie San Romani, Keith Forman, Vic Reeve, Sig Ohlemann and Mike Lehner can fill in. San Romani started the season with 1:49.5 and 4:03.8 performances. Forman has run 4:07.3 and 9:01.7 outdoors this season while Reeve clocked 8:52.5 recently. Ohlemann was second in the NCAA 880 a year ago and ran 1:49.7. Lehner has done 9:03.0 outdoors. Burleson and Ohlemann are seniors, Forman and Reeve juniors and Lehner and San Romani sophomores.

Senior Harry Jerome, the 9.3 and 10.0 100-meter man, is one of the top sprinters in the world while senior Jerry Tarr, defending NCAA high hurdles champion, already has run 13.7 this season. Dave Steen, a Canadian junior, recently threw the shot 58'3 $\frac{1}{2}$ " and the discus 165'8". Senior Jerry Stubblefield threw the discus 172'3" last year. Jerry Close, a senior who has done 24'7 $\frac{1}{2}$ ", leads the broad jumpers while a 5'8" sophomore, Terry Llewellyn, is the best high jumper at 6'8". Junior John Burns (235'8 $\frac{1}{2}$ ") and sophomore Ron Gomez (226'2") take care of the javelin. Sophomore Martin Frank opened the outdoor season by pole vaulting 14'8" but he has been inconsistent since then. Add to all this talent sophomore Mel Renfro, an all-around man who should be over 24' in the broad jump this season and who can run some good hurdles races. The Ducks has potent relay combinations in practically all relays except perhaps the mile relay.

NEBRASKA -- Good hurdlers almost gave the Big Eight indoor title to Coach Frank Sevigne and the trio of senior Bill Fasano, junior Ron Moore and junior Fred Wilke may turn the trick outside. Last season Moore ran 14.1 while Fasano had a 14.3. Sophomore Victor Brooks, who broad jumped 24'5" in 1961, has been slowed by injuries so far this year. Junior Ray Knaub, a transfer from Baylor, recently won the Texas Relays 100 while Mike Fleming, also a junior, took the Big Eight indoor two-mile title in 9:17.6 and can post good times from the 880 to three miles. Backing up Knaub in the sprints is sophomore Don Degnan, who won the conference indoor 60-yard dash title. The Cornhuskers' weaknesses come in the field events where there is only average strength in the weight events, the high jump and the pole vault.

Miller Wins Dramatic Pole Vault

By Wally Donovan

There were quite a few surprises in the pole vault. For sheer drama it was one of the outstanding events in the Olympic Games. Only eight athletes competed in the event and three of those wore the shield of the United States -- Bill Graber of Southern California, Bill Miller of Stanford and George Jefferson of UCLA. Against this array were two Brazilians, two Japanese and a Greek.

The competition started at 2:30 p.m. on August 3 with the starting height set at 10'10". And Carlos Nelli of Brazil soon fell by the wayside when he failed to clear that height. He was soon joined by Peter Chelentzos of Greece, who cleared 12'3 $\frac{1}{2}$ ". Lucio de Castro, the other Brazilian, was unable to clear 13'1 $\frac{1}{2}$ " and that narrowed the field down to five. All of the remaining vaulters cleared 13'1 $\frac{1}{2}$ " but when the bar was raised to 13'6" Shizuo Mochizuki of Japan went out. The three Americans and Shuhei Nishida of Japan all cleared 13'7 $\frac{1}{2}$ " with Graber and Miller clearing on their third attempts.

At 13'9 $\frac{1}{2}$ ", Jefferson and Miller cleared in succession on their first attempts while Nishida made it on his second try. At this point Graber passed. At 13'11", the American forces received a real shock when Graber failed to clear the height. Graber had been considered the top favorite in this event because of his world record at the Olympic Trials. Jefferson also went out at 13'11" but because he had cleared 13'9 $\frac{1}{2}$ " while Graber passed he received the bronze medal. Miller cleared 13'11" on his first attempt but Nishida needed three tries.

Then the drama in the pole vault really began. Miller, the left-handed Stanford sophomore, stood as the United States' last hope to continue its great string of victories in the vault. The record crowd watched with great apprehension as the bar was placed at 14'1 $\frac{1}{4}$ ". By now Sabin Carr's Olympic record of 13'9 $\frac{1}{4}$ " had been smashed.

Before coming to Los Angeles, Nishida's best had been 13'7 $\frac{1}{2}$ " so he was really having a great day. He missed on his first attempt at 14'1 $\frac{1}{4}$ " as Miller cleared easily. Nishida missed again but on his last attempt, calling on all of his resources, he made it. He became the first non-U.S. vaulter to ever clear 14 feet.

Up went the bar to 14'2" (later remeasured and shown to be actually 14'1 $\frac{3}{8}$ "). Nishida's first attempt was not very close and Miller showed signs of nervousness. Miller started his run but then dropped on his pole. He balked again on his second run and was charged with a miss. Nishida's second try was another poor one while Miller went over but knocked off the bar with his arm. Nishida was close on his last attempt, brushing off the bar with his chest. Now it was up to Miller. The white thatched Californian stood at the head of the runway with all eyes glued on him. The crowd was still but as he started his run the crowd started yelling which grew to a roar as he approached the takeoff. He slammed his pole into the box and soared cleanly over the bar although his arm once again hit the bar. The bar jiggled but stayed on. Standing next to the standards was Nishida, who rushed into the pit and hauled the smiling Miller out. Nishida gave the American his congratulations and the crowd gave the two vaulters a long and loud round of enthusiastic applause. **FINAL** (Wednesday, August 3)

1. Bill Miller (USA) 14'1 $\frac{3}{8}$ "; 2. Shuhei Nishida (Japan) 14'1 $\frac{1}{4}$ "; 3. George Jefferson (USA) 13'9 $\frac{1}{2}$ "; 4. Bill Graber (USA) 13'7 $\frac{1}{2}$ "; 5. One of the mile relays at the New York A.C. indoor meet turned out to be a comedy of errors. It all started when Jim Phipps, Maryland State's leadoff man, dropped the baton at the start and the race was recalled. The second start was okay but on the second leg Morgan State's Bob Bagley tripped and fell heavily, out cold, and Maryland State's Earl Rogers stumbled. Then on the anchor leg Bob Raemore, Villanova's anchor man, collapsed with a muscle cramp. Thus of the three teams that started only one finished -- Maryland State in 3:20.3... Gerald Carr, UCLA's 6'2", 230-pound weightman, recently ran in a weightman's 440-yard relay against Stanford but got a little excited on the opening leg and squeezed the baton so hard it broke. The remaining UCLA weightmen tried to nurse it along but on the final handoff the baton flew all over the track... this may be a costly season for Coach Stanley Wright of Texas Southern. Wright buys his team steaks for each record they set and if the rest of the season is anything like the Texas Relays Wright will go broke. Texas Southern set five records at the Austin meet and the season has only started.
