## SPLITS IN WORLD RECORDS SINCE 1946 (1)

compiled by Roger Gynn (GB)

This is the first in a series of features devoted to the splits in running events and series in field events in world record performances since 1946. Those performances which equaled or bettered ratified world records but were never officially accepted by the IAAF have been noted here by an asterisk so long as the mark was statistically acceptable. Please send all amendments to *T&FN*.
