## IMPORTANT ANNOUNCEMENTS

**RENEWAL NOTICE:** Don't look now, but this issue of Track Newsletter and TrackStats concludes Volume 24. And with this issue, most subscriptions expire. Can you go through the next year without these 250 pages of TN results from around the world and interesting TS? To be sure you don't miss out on all the important happenings renew now. US subscribers send \$8.00 for a first-class mail subscription (air-mail is available for \$9.00) to Track and Field News, P.O. Box 296, Los Altos, Calif., 94022. (Foreign rates indicated on Page 242)

**NO OLYMPIC RESULTS** will be published in TN for the Munich Games—just as in 1968 for Mexico. This decision is based on several factors: (1) we received not one complaint in 1968; (2) the time between the editor's staff's return from Munich and the date T&FN is due at the printers is short and would not really permit time to put out a TN during that period; and (3) T&FN will carry complete results of every men's event. Most newspapers should carry results of at least the first six finishers in Munich; if you desire additional coverage prior to receipt of the Olympic issue of T&FN, you may wish to make special arrangements—through sources other than T&F

**MOST OF THE US OLYMPIC TEAM** will compete in the Oslo Invitational in Oslo, Norway on August 2-3. The 13 team members who will not are Wayne Collett (400), Jim Ryun (1500), George Young (5000), Bob Seagren (PV), Steve Smith (PV), Randy Williams (LJ), John Craft (TJ), Dave Smith (TJ), Al Feuerbach (SP), George Frenn (HT), Tom Gage (HT), Al Schoterman (HT) and Milt Sonsky (JT). These 13 will meet the rest of the team in Munich. Added to the roster for the Oslo meet are Fred Newhouse (400), Rick Brown (800), Jerome Howe (1500), Greg Fredericks (5000), Tommy Lee White (HH), Jim Dare (Steeple), Barry Schur (HJ), Dave Roberts (PV) and Dick Drescher (DT).

**US OLYMPIC TRIALS CONTEST WINNERS** have been determined. Winning \$10.00 merchandise certificates for their efforts are Mike Stewart (Torrance, Calif) and Virg Wickline (Spokane, Wash). Stewart correctly tabbed 45 of the 66 placers in the first three at the Olympic Trials, while Wickline totalled 149 for his four monthly picks on the meet (an average of 39.25 per month). Wickline confirmed his skills with a second-place tie in the individual picks contest with 44, the same score as Charles Levy (Staten Island, NY) and Chuck Skow (Fresno, Calif). Runners-up in the monthly totals contest were Alvin Paullay (Tappan, NY) at 148, Vlassios Purpyris (New York, NY) and David Johnson (Swarthmore, Pa) at 144 and Dan Kennedy (San Francisco, Calif) at 143. Deeper results will be printed in the August T&FN. These results are considered as final. Entries were considered final. Entries were considered only if the contestants submitted their totals for verification.
