KEY TO LISTS

These lists give the top 50 world performers (and top 10 performances, denoted by a —) of the 2019 season.

* = American; (A) = altitude over 1000m (in affected events only). Wind-aided marks are those of greater than 2.0mps. Windy marks are listed only if superior to the best legal mark (windy performances listed to level of legal performances).

! = secondary mark in a field-event series.

Corrections welcomed!
