

— NCAA Regionals: East Women —

Jacksonville, Florida May 27 & 29

(5/27—10K, PV, LJ, SP, HT, JT, heats)

— The Regionals Setup —

Under the NCAA qualifying scheme which came into play in '10, the 4 Regionals were combined into just 2 meets, and renamed as the "Preliminary Rounds" of the National Championships.

At the Regionals, there are 48 contestants in each individual event (24 relay teams), with the top 12 advancing to the Nationals in Eugene on June 09–12. (The decathlon & heptathlon qualify directly to the Nationals from the yearly lists.)

For ease of nomenclature, we still call the meets Regionals, but the rounds will be named as part of the overall Nationals.

In 4-round events like the 100, for example, the Regionals staged the heats and quarterfinals; Oregon will host the semifinals and finals.

The horizontal jumps and throws each contestant received only 3 tries.

Athletes advancing to the NCAA Championships are underlined, although some may decline, opening more spots.
