TOKYO, JAPAN, JULY 30–AUGUST 08

(road events held in Sapporo)

ATTENDANCE

Obviously, no official figures were generated, given the ban on spectators. Only select numbers of the media and team functionaries were allowed in the stadium.

WEATHER

Official temperature (both F and C) and humidity readings are given with each final. The figures are for the start of the event; for those with a longer duration the range is listed.

EXPLAINING THE TYPOGRAPHY

Paragraph breaks in the preliminary rounds of running events indicate the separation between qualifiers and non-qualifiers.

SPLIT TIMES

The official timer, Omega, again provided excellent splits in most cases. Times in 100^{ths} are eyebeam times; those in 10^{ths} are transponder-driven. Thanks to Mark Butler for invaluable work in helping with the 4x4 splits, which may still require some fine-tuning.

FIELD CHARTS

In the by-round field charts (all throws, horizontal jumps), the athlete's best of the day is underlined. The asterisked marks represent the progression of the lead.

WHAT'S IN VERSION ii?

Note that this newsletter is marked as "version i." We frequently issue a version ii (or even iii) for the OG and WC, catching up on all the little errors that can creep into a work of this magnitude.

What Are All Those Symbols?

We realize that there is a lot of material to absorb in our agate ("agate" is jounalese for small-type results), so let's see if we can't clarify it a bit for you.

A combination of numbers and letters in parentheses, such as "9, x W" would mean tha the person had moved to No. 9 on the all-time world list, with a performance outside the top 10. Had it say, been the No. 9 performance, the notation would have been 9, 9 W.

You might also find something like "x, 6 A". The x in the first position means the mark is not a PR, but the performance is No. 6 in U.S. history.

We note all-time list positions for World (W), U.S. (A), College (C), Juniors (WJ or AJ) and High School (HS).

We also denote yearly list leaders for the World (WL), U.S. (AL), College (CL; Division I only) and High School (HS). In even-numbered years we also list World Juniors (WJL) and U.S. Juniors (AJL).
