

# ALL-TIME PREFONTAINE CLASSIC SUB-4:00 MILE LIST 1975—2019

original compilation by Scott S. Davis,  
updated by E. Garry Hill

\*\*\*\*\*

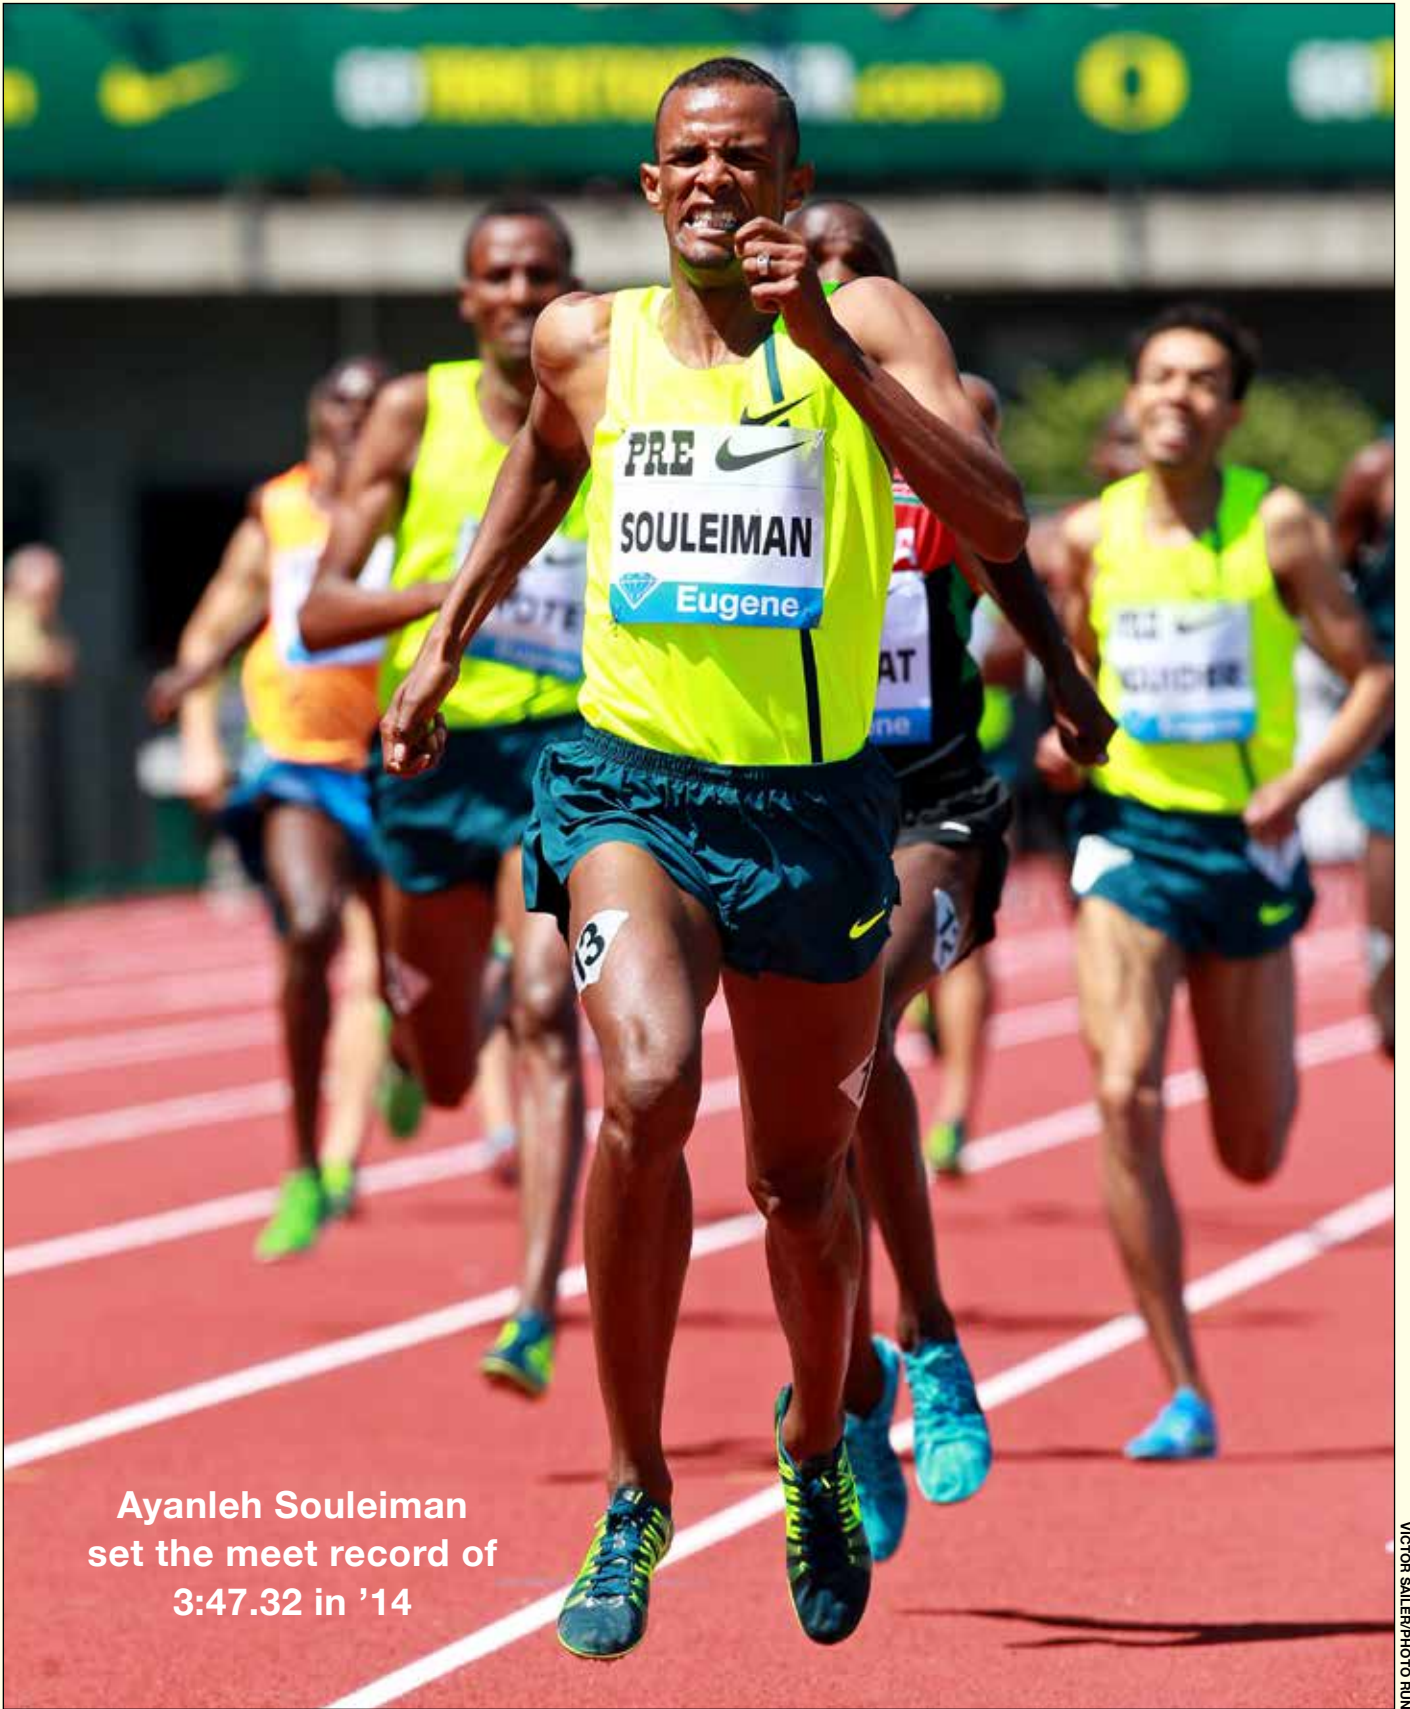

*The Pre Classic's Bowerman Mile continues to be the greatest race in the United States. No other American meet has seen as many sub-4:00 performances. What follows is the All-Time Sub-4:00 list for the annual affair at historic Hayward Field. Note: the '19 meet was held at Stanford while Hayward was being reimagined and there was no meet at all in '20 because of COVID considerations.*

*Note that from '10 on the results of the International Mile have also been included. This race is not the Pre Classic or Bowerman Mile race but rather a second competition that is now staged annually (except for '19) as part of the meet. Marks from this race have been denoted with \* on the placing. Other notes and statistics are presented at the end of the list.*
