### KEY TO LISTS

These lists give up to the top 40 U.S. performers (and top 5 performances, denoted by a —) of the 2022–23 indoor season in standard events, with an appending of those foreign collegians whose marks fall into that range.

In the oversized-track category (those larger than 200m), the domestics and foreign collegians are commingled. Relay teams may contain non-U.S. nationals.

Oversized-track marks are listed only if superior to the athlete's best legal mark (OT performances listed to level of legal performances).

Open athletes and high schoolers have no notation before their name. Collegians are noted by class: - = senior; \* = junior; \*\*=soph; \*\*\* = frosh. (Note: many athletes will be different classes between indoors and out this year.)

Symbols: (A) = altitude over 1000m (in affected events only).

Note that the indoor season contains marks from December of the preceding year. Those marks will *not* be included on the '23 Absolute lists.
