#### KEY TO LISTS

These lists give up to the top 40 world men's performers (and top 5 performances, denoted by a — —) of the 2023–24 indoor season in standard event.

In the oversized-track category (those larger than 200m), the domestics and foreign collegians are commingled. Relay teams may contain non-U.S. nationals.

Oversized-track marks are listed only if superior to the athlete's best legal mark (OT performances listed to level of legal performances).

Symbols: (A) = altitude over 1000m (in affected events only).

Note that the indoor season contains marks from December of the preceding year. Those marks will *not* be included on the '24 Absolute list.
