## TOURS SCHEDULED 2026 AND BEYOND

### ~ 2026 ~

**2026 The Memorial Van Damme Diamond League Final (September 4 & 5 in Brussels, Belgium) and The Inaugural World Athletics Ultimate Championships (September 11-13 in Budapest, Hungary), with touring to Amsterdam & Vienna. T&FN's tour will feature 3 nights in Brussels where we'll take in two great days of competition at the 2026 Diamond League Final followed by 2 nights in Amsterdam. We'll then fly to Vienna where we'll stay for 3 nights before we arrive in Budapest for the inaugural World Athletics Ultimate Championships—an exciting new 3-day meet from World Athletics! The World Athletics Ultimate Championships will serve every two years as the grand conclusion to the international track & field season and will feature eight to sixteen of the top-ranked athletes in each event. The first Ultimate will be in the beautiful Hungarian capital at the new Athletics Centre. We are currently estimating a tour price of \$5300 per person double occupancy and \$6500 single occupancy. ### ~ 2027 ~

**2027 USATF Outdoor/National Championships World Championships Trials**—dates and site to be determined. It's likely the site will be Eugene, but no announcement expected until 2027. \$100 per person deposit now accepted.

**2027 World Championships, Beijing, China.** Meet dates are September 11 – 19. Competition will be held in Beijing's iconic National Stadium (also known as the Bird's Nest) that hosted the 2008 Olympics and the 2015 World Championships. \$100 per person deposit now accepted.

### ~ 2028 ~

**2028 Games Trials**—dates and site to be determined. We are expecting the site to be either Los Angeles or Eugene. Since the first day of track competition at the Olympics is July 15 and the 2028 NCAA Outdoor Championships are scheduled for June 7–10, it has been proposed that the Trials will be held beginning on June 17, however, exact dates have yet to be confirmed. Also under consideration is shortening the length of the Trials from 8 days of competition (4 days on, 2 days off, 4 days on) to 6 consecutive days of competition. This format change would allow athletes approximately 22 days of recovery between the end of the Olympic Trials and the start of the Olympic Games, which would be the shortest turnaround from an Olympic Trials to an Olympic Games in US history. \$100 per person deposit now accepted.

**2028 Summer Olympic Games, Los Angeles, California, July 14-30.** The 2028 Games will begin with track & field and end with swimming for the first time since 1968. Opening Ceremony will be on July 14. Track and field competition will be held in the LA Coliseum July 15-24. Current deposit requirement is \$100 per person.
